Congress the National Archives and elsewhere In some cases due to time limitations errors of one sort or another have crept into the translations which were available to the Tribunal In other cases the same document appears in different trials or even at different parts of the same trial with variations in translation For the most part these inconsistencies have been allowed to remain and only such errors as might cause misunderstanding have been corrected ... **Select Notes on the International Sunday School Lessons ...** ,1903 **The International Cyclopædia** ,1895 **The International Cyclopedia** Harry Thurston Peck,1899 **The International Quarterly** ,1904 The International Confectioner ,1928
