Whelpton, 2019-07-25 The story of Richard Aldington outstanding Imagist poet and author of the bestselling war novel *Death of a Hero* 1929 takes place against the backdrop of some of the most turbulent and creative years of the twentieth century Vivien Whelpton provides a remarkably detailed and sensitive portrayal of the writer from the age of thirty eight to his death from a heart attack in 1962 The first volume *Richard Aldington Poet Soldier and Lover* described Aldington's life as a stalwart of the pre war London literary scene his experience as an infantryman on the Western Front and his postwar personal and creative crises this second volume seeks to balance the stories of Aldington's subsequent public and private lives through a careful reading of his novels poems and letters with his circle of acquaintances The ways in which Aldington's dysfunctional childhood and survivor's guilt continued to haunt him through the inter war years and beyond are masterfully untangled by an author with gifted psychological insight into her subject Volume Two covers Aldington's personal and public lives as he transformed himself from poet to novelist and from novelist to biographer and explores his debacles and triumphs particularly in the wake of his hugely controversial attack on the reputation of T E Lawrence This authoritative biography recounts the life of one of the most underrated writers of the last century *The Virginia School Journal*, 1901 Includes Official department conducted by Superintendent of Public Instruction

Maupassant and the American Short Story

Richard Fusco, 2010-11-01 Maupassant and the American Short Story isolates and develops more fully than any previous study the impact of Maupassant's work on the writing of Ambrose Bierce O Henry Kate Chopin and Henry James It introduces a new perspective to assess their canons reviving the importance of many often ignored stories and in the cases of Maupassant and O Henry reasserting the necessity of studying such writers to understand the history of the genre An important moment in the history of the short story occurred with the American misreading of Maupassant's use of story structure At the turn of the century writers such as Bierce and O Henry seized upon the surprise inversion form because Maupassant's translators promoted him as championing it Only a few writers such as James and Chopin both of whom read Maupassant in French appreciated his deft handling of form more fully Their vision and the impact of Maupassant upon their fiction was largely ignored by later generations of writers who preferred to associate Maupassant and O Henry with the trick ending story This book details the origins and consequences of this misperception The book further contributes to the study of the short story genre Through an adaptation of Aristotelian concepts Richard Fusco proposes an original approach to short story structure defining and developing seven categories of textual formulas linear ironic coda surprise inversion loop descending helical contrast and sinusoidal As a practitioner of all these forms Maupassant established his mastery of the genre By studying his use of form the book asserts a major reason for his pivotal importance in the historical development of the short story
