

# HISTORICAL SKETCHES OF LOUISIANA.

---

## CHAPTER I.

THE Spaniards and the French discovered and settled Florida and Louisiana long before Louisiana was known. These early events have a direct bearing on the subsequent affairs of those nations in the same world, and hence a concise detail of them will not be deemed foreign to the sketch of their structure, particularly as they afford an obscure much light on the policy pursued by both in the establishment of their Colonies.

After the Spaniards landed on the Florida, nearly every year passed elapsed before they attempted any new discovery. Exploring ships passed their undisturbed innocent shores and quays, regularly in Cuba and Hispaniola. They then discovered the existence of other nations, and then examined them in 1542. But moreover, the knowledge of the coast, not opening the riches of the mainland. These people were considered the nations that belong to the Spaniards. The

**SKETCHES, HISTORICAL AND DESCRIPTIVE, OF LOUISIANA.** AMOS. STODDARD, 2018 *Sketches, Historical and Descriptive, of Louisiana* Amos Stoddard, 1812 Sketches, Historical and Descriptive, of Louisiana Amos

Stoddard, 1812 **Sketches, Historical and Descriptive, of Louisiana (Classic Reprint)** Amos Stoddard, 2016-11-11

Excerpt from Sketches Historical and Descriptive of Louisiana No wonder then that Louisiana at the time of the cession was so little known to the United States They had suddenly and unexpectedly acquired a territory of which they knew not the extent they were equally unacquainted with its climates soils and productions the magnitude and importance of its numerous rivers and its commercial and other natural advantages I therefore indulge the expectation that the subsequent sketches however inaccurate or erroneous will not prove wholly unacceptable to the public particularly as no one before me to my knowledge has attempted an history and description of this territory Historians have but partially noticed that country none of their works seem to embrace in regular detail any considerable number of years they are extremely barren of events and unfortunately contain many chasms These are in part supplied from some ancient manuscript journals and other documents to which I gained access yet it is to be regretted that materials are still wanting to exhibit even the prominent historical features of Louisiana The writings of missionaries at least those I have seen and the accounts published by French officers who were employed in the country during part of the two last centuries are mostly of an uninteresting nature I am however much indebted to both dead and living authors and if I have been less solicitous to acknowledge my obligations to them than to collect and arrange the substance of their labors it was because I relucted at marginal and other references About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Sketches, Historical and Descriptive, of Louisiana Amos Stoddard, Henry Marie Brackenridge, 1819

**Sketches, Historical and Descriptive, of Louisiana, by Major Amos Stoddard,...** Amos Stoddard (Major.), 1812

**Historical and Descriptive of Louisiana** Amos Stoddard, 2023-07-18 Originally published in 1812 this fascinating book offers a detailed look at the history and culture of Louisiana in the early 19th century Drawing on a wide range of sources including personal accounts and official government documents the author provides a vivid portrait of life in this unique and vibrant region Whether you're a history buff or just curious about the world around you this book is an informative and entertaining read This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within

the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      *Historical Sketches of Colonial Florida* Richard L. Campbell, 2017-11-29 The books in the Florida and the Caribbean Open Books Series demonstrate the University Press of Florida's long history of publishing Latin American and Caribbean studies titles that connect in and through Florida highlighting the connections between the Sunshine State and its neighboring islands Books in this series show how early explorers found and settled Florida and the Caribbean They tell the tales of early pioneers both foreign and domestic They examine topics critical to the area such as travel migration economic opportunity and tourism They look at the growth of Florida and the Caribbean and the attendant pressures on the environment culture urban development and the movement of peoples both forced and voluntary The Florida and the Caribbean Open Books Series gathers the rich data available in these architectural archaeological cultural and historical works as well as the travelogues and naturalists sketches of the area prior to the twentieth century making it accessible for scholars and the general public alike The Florida and the Caribbean Open Books Series is made possible through a grant from the National Endowment for the Humanities and the Andrew W Mellon Foundation under the Humanities Open Books program      **A Historical Sketch of the Wilmington Library, and Young Men's Association** Wilmington Institute Free Library (Wilmington, Del.), 1858      *Catalogue of the Michigan State Library* Michigan State Library, 1877      **The Language Encounter in the Americas, 1492-1800** Edward G. Gray, Norman Fiering, 2001-01-01 When Columbus arrived in the Americas there were it is believed as many as 2 000 distinct mutually unintelligible tongues spoken in the western hemisphere encompassing the entire area from the Arctic Circle to Tierra del Fuego This astonishing fact has generally escaped the attention of historians in part because many of these indigenous languages have since become extinct And yet the burden of overcoming America's language barriers was perhaps the one problem faced by all peoples of the New World in the early modern era African slaves and Native Americans in the Lower Mississippi Valley Jesuit missionaries and Huron speaking peoples in New France Spanish conquistadors and the Aztec rulers All of these groups confronted America's complex linguistic environment and all of them had to devise ways of transcending that environment a problem that arose often with life or death implications For the first time historians anthropologists literature specialists and linguists have come together to reflect in the fifteen original essays presented in this volume on the various modes of contact and communication that took place between the Europeans and the Natives A particularly important aspect of this fascinating collection is the way it demonstrates the interactive nature of the encounter and how Native peoples found ways to shape and adapt imported systems of spoken and written communication to their own spiritual and material needs      *University of California Publications in History*, 1920      *University of California Publications in*

History University of California, Berkeley, 1920      Public Spaces, Private Gardens Lake Douglas, 2011-05-17 Landscape architect Lake Douglas employs written accounts archival data historic photographs lithographs maps and city planning documents many of which have never been published until now to explore public and private outdoor spaces in New Orleans and those who shaped them Public Spaces Private Gardens an informative stroll through the last two hundred years of the designed landscapes and horticultural past of New Orleans offers a fresh look at the cultural landscape of one of America's most interesting and historic cities      **Wanderer on the American Frontier** John Maley, 2018-10-04 For nearly two hundred years a fragment of the journal of John Maley an obscure explorer on the American frontier resided at Yale University and was treated with some skepticism by historians It was only in 2012 when the first half of the manuscript turned up at a barn sale in Pennsylvania and was acquired by Southern Methodist University's DeGolyer Library that the full story of Maley's travels could be pieced together Wanderer on the American Frontier makes the complete journal available for the first time allowing readers to follow a contemporary of Lewis and Clark on his journey through the Ohio Mississippi and Red River valleys and to reassess the account's authenticity Between 1808 and 1813 Maley covered more than 16 000 miles through thirteen present day states Much of that travel took him beyond the fringes of civilization and his journal offers some of the earliest descriptions of the Ozark Plateau the Ouachita Mountains and the upper reaches of the Red River His account also provides a firsthand look at life on the frontier in the tumultuous years following the Louisiana Purchase Editor F Andrew Dowdy has carefully retraced Maley's steps and with extensive use of maps has reconciled some of the journal's more confusing passages to give readers clear modern day reference points Numerous annotations and appendices provide necessary historical context from the link between Maley's 1809 Indiana copper exploration and the Treaty of Fort Wayne to the ways his 1811 foray into Spanish Texas presaged further filibusters there during the Mexican War for Independence The fascinating tale of one of the wider ranging explorers in American history Wanderer on the American Frontier is an invaluable resource that provides a unique window on the West in the early nineteenth century      **The Chouteaus** Stan Hoig, 2010-06-08 In the late eighteenth century the vast pristine land that lay west of the Mississippi River remained largely unknown to the outside world The area beckoned to daring frontiersmen who produced the first major industry of the American West the colorful but challenging often dangerous fur trade At the lead was an enterprising French Creole family that founded the city of St Louis in 1763 and pushed forth to garner furs for world markets Stan Hoig provides an intimate look into the lives of four generations of the Chouteau family as they voyaged up the Western rivers to conduct trade at times taking wives among the native tribes They provided valuable aid to the Lewis and Clark expedition and assisted government officials in developing Indian treaties National leaders tribal heads and men of frontier fame sought their counsel In establishing their network of trading posts and opening trade routes throughout the Central Plains and Rocky Mountains the Chouteaus contributed enormously to the nation's westward movement      Catalogue of the Library of Congress Library of
