## **Skies To Dunkirk A Personal Memoir:**

**Skies to Dunkirk** Sir Victor Goddard, 1982 Beretning om begivenhederne i forbindelse med den britiske evakuering af Dunkirk      **Dunkirk** Sinclair McKay, 2014-09-18 From the author of the Sunday Times bestseller *The Secret Life of Bletchley Park* When Churchill made one of the most inspiring speeches of the 20th century we will fight them on the beaches he was giving thanks for the miracle of deliverance the harrowing and breathless evacuation of over 338 000 troops from the beaches and harbour at Dunkirk Churchill was determined it shouldn't be labelled a victory He was already too late Hours later broadcaster JB Priestley was to call it an absurd English epic Those days of Dunkirk are still invoked now whenever the nation finds itself in any kind of crisis But there is a wider story too that involves a very large number of civilians from nurses to racing enthusiasts trades union leaders to dance hall managers novelists to seaside café owners And even wider yet a story that starts in September 1939 of young civilian men being trained for a war that was already 25 years out of date and the increasing suspense and occasional surrealism of the Phoney War The absurd epic of Dunkirk told here through fresh interviews with veterans plus unseen letters and archival material is the story of how an old fashioned island was brutally forced into the modernity of World War Two      **Sherman's Wife** Julia Camoys Stonor, 2012-09-13 Sherman's Wife is Julia Camoys Stonor's blackly humorous childhood memoir Her mother Jeanne came from an impecunious Catholic aristocratic family and careened her way through the bedrooms of Mayfair Madrid and Rhode Island Her father was Sherman the half American 6th Baron Camoys whom Jeanne effectively blackmailed into marriage Jeanne insisted that she and Sherman spend their honeymoon with one of her lovers Hitler's foreign minister Joachim von Ribbentrop Once installed at the Stonor Park estate Jeanne set about acquiring money and power through any means possible including but not limited to theft sexual blackmail and murder In this frank and unflinching portrait of English upper class life in the 1940s Julia Camoys Stonor manages to evoke *Mommie Dearest* and *Brideshead Revisited* in equal measure      **Collision of Empires** A. D. Harvey, 1993-07-01 The only previous war to match the world wars of the twentieth century in scale and impact was the French War of 1793 1815 This book is the first book to compare these conflicts which together shaped the history of the modern world A D Harvey relates the causes conduct and outcome of these wars to the fundamental nature of the societies which fought them Political decisions economic power and social attitudes interfaced with the demands of military technology to determine the outcome of each case Britain is the centre of focus but is seen against a background of the other combatants Harvey's ability to make large scale generalisations is backed up by a wealth of fascinating and carefully documented detail making this outstanding and exceptionally well written book a pleasure to read The author has tackled a huge subject and has not been afraid to face up to either its complexities or its implications By asking new questions and using a range of unfamiliar sources this book provides an unusually profound analysis not only of these wars but also of the nature of modern society and of our understanding of the past      **The Official History of the Joint Intelligence**

**Committee** Michael S. Goodman, 2014-06-20 first detailed history of the UK Joint Intelligence Committee a central player in the secret machinery of the British Government contains important disclosures on a range of issues from the role played by the JIC in WWII in the cold war and the Suez crisis based on unique access to all official archives and records will be of much interest to students of intelligence studies British politics cold war history international relations and diplomacy **Behold the Dark Gray Man** Katherine Campbell, 2021-07-27 Katharine Campbell's father Sholto Douglas was the hero of her childhood an unconventional senior commander in the Royal Air Force described as a gloriously contentious character Following childhood abandonment and poverty Sholto rose through the ranks of the fledgling RAF in the First World War before taking on a crucial role in the Second as head of Fighter Command and going on to serve as Military Governor in Germany in the war's devastating aftermath But when Katharine was five years old he began to be stolen away by strange night time wanderings and daytime distress including vivid flashbacks to his time signing death warrants in post war Germany The doctors called it dementia but decades later Katharine started researching her father's story and realised that she had observed the undiagnosed consequences of post traumatic stress disorder PTSD is a hot topic today We're aware of the front line soldier suffering from shell shock but what about the senior officer giving the orders who may be carrying hidden wounds accumulated over many years We don't expect our military leaders to have PTSD nor is it something they often recognise or acknowledge in themselves yet this secret burden likely affects a surprising number of those making important tactical decisions A thought provoking insight into the damage done by military conflict Behold the Dark Gray Man is the story of a daughter's search to understand the impact of war upon one of its most charismatic senior commanders
