Skiing the New Way Duncan Reid, 2001-11-26 Ideas for the back cover of my book *Skiing the New Way* Fred Pease a former prominent ski coach after teaching him the new Outback turn which is now featured in this revision told me this new turn has made the most significant impact on my skiing in many many a year Ron Kipp Director of Athlete Preparation for the USST said The Reids relay through their love of skiing and teaching a technique based on what works not what ought to work This book is worthwhile reading for the Week end Skier as well as the World Cup Ski Coach To paraphrase Henry Bendinelli Director of the Skikats Ski Club Our week long trip was an ideal laboratory to test your technique for 26 skiers of widely differing abilities It was resoundingly obvious that they ended up skiing beautifully much better than they had ever skied in their lives Then from the recreational students Bill Rice said Ski classes had never clicked like this before even though I had begun skiing with the best Austrian instructors some thirty eight years ago and had taken hundreds of lessons since Tom Humphrey said The continuing evolution of various techniques has added bits of pleasure along the way but none has been so Soul Satisfying as the SWEET SCHWOOSHING SKI STYLE of Duncan and Betty Reid What a gift What a Godsend Who would have believed that at my age I could become a better skier than I ever was in the heyday of my youth Yet I am What a pleasure Jo Ann said I feel I have so much better control of my skis I just start skiing much faster No longer do my friends have to wait for me as I go schwooshing by *Skiing the New Easier Way* Duncan Reid, 2004-12 For recreational skiers You have skillfully and accurately described and analyzed a brand new technique that anyone can learn in a quarter of the time it took to learn the old technique It is a technique that empowers the student to rapidly achieve heights never before possible Recreational skier Tom Humphrey For those of higher levels of skills I have harassed you for a long time to be more interested in cross under and that good skiing consist in a long S turn not a series of individual turns By whatever route you have come to understand these things and that is great I admire the work you have done Master Coach Warren Witherell I know it has made me a better skier and has made the last few seasons interesting and fun for me and the folks that I do a lot of my skiing with Veteran junior race coach Fred Pease The Reids relay through their love of skiing and teaching a technique based on what works not what ought to work Thus this book is worthwhile reading for the Week end Skier as well as the World Cup Ski Coach Ron Kipp former Director of Athlete Preparation for the USST Skiing ,2001-03 **Ski** ,2003-05
