discussed Becoming a Successful School Leader Krishan Sood, Sheine Peart, Malini Mistry, 2017-09-05 Becoming a Successful School Leader critically considers what leaders need to help them support their schools and communities with the challenges and demands of learning. It presents readers with opportunities to develop their thinking and to generate personal strategies to manage situations through a series of structured exercises and tasks. Drawing on a range of accounts from professionals, case studies and reflective questions, this accessible text allows leaders to confidently guide their staff and students through the contested landscape of education. Focusing on key topics, chapters cover education policy and leadership, governance and management of educational settings, changes to the employment market, inclusion in education, emerging moral dilemmas and legislative changes, the structure of education, new frameworks and models, quality assurance, responsibilities, liabilities and consequences, global dimensions and emerging ethical issues. This book will be essential reading for both practising and aspiring school leaders who have an interest in the challenges, policies and practices deployed in leading and managing change in a variety of educational settings.

Executive Skills for Busy School Leaders David Coley, Chris Hitch, 2014-01-09 Prime yourself for all aspects of school leadership with effectiveness strategies from educators and experts Chris Hitch and David Coley. This comprehensive and practical handbook offers research-based tools to help you fulfill all of your leadership responsibilities on time and with laser-like focus. The authors also share tips from their combined experiences as elementary, middle and high school principals. Executive Skills for Busy School Leaders provides examples of best practices from the business and non-profit sectors and applies them specifically to schools. Topics range from managing time and leading high performance teams to monitoring your budget and implementing a school improvement plan. Strategies include finding time for instructional leadership, diagnosing the strengths and needs of your school, leading a multi-generational faculty, data-driven decision making and managing high middle and underperforming individuals.

The Assistant Principal L. David Weller, Sylvia J. Weller, 2002 A unique guidebook, training tool and reference work for new and experienced administrators. The role of the assistant principal is one of the least researched and least discussed topics in educational leadership, but the importance of the position in the day-to-day operation of the school site is growing every day. This first of its kind work addresses the multiple needs of students, instructors and practitioners alike, helping new and experienced assistant principals develop the skills they need to move up the leadership ladder. A specially designed questionnaire was administered to 100 assistant principals to assess their needs and knowledge. The Assistant Principal, unlike any other book of its kind, is the result of those field-based research findings. Educators and administrators L. David Weller and Sylvia J. Weller have created a practical and useful work that can help on a variety of levels. As a comprehensive examination of the role, The Assistant Principal provides a fresh and valuable exploration of this increasingly important administrative position, identifying its strengths and potential weaknesses through real-life research-based data and the first-hand experience of 100 administrators. As a professional development program, this book will be invaluable to

teachers preparing for the role of assistant principal and assistant principals preparing for the principalship or related positions Theory and field based research are combined into one volume complete with case studies exercises and examples As a reference guide for practicing assistant principals Weller and Weller give readers a wealth of best leadership practices and practical examples that work provided by practitioners in the field as well as samples of surveys evaluation instruments and more Designed for immediate application and easy use Weller and Weller address all the major issues that assistant principals face every day offering strategies tactics and exercises for improvement including Leadership knowledge and skills The transition from manager to leader Informal leaders and groups in the schools developing a power base Public relations and community power agents successful networking Effective communication and listening skills Leadership for instructional improvement Effective leadership through effective staff development As a reference guide a training tool and an examination of the profession this all in one volume is essential for every administrator

Examining the Existence and Importance of Ten Skills for Successful School Leaders from Saudi Principals' Perspectives Khalifah Albalawi, 2016

In 2011 the Ministry of Education MOE in Saudi Arabia began reform of its educational system to improve school performance especially student achievement The MOE has realized the importance of developing school leadership to lead the process of change focusing on principals as change agents The new MOE vision therefore places principals at the center of education reform initiatives As a result principals are expected to enact different roles and must improve their leadership capacities to successfully lead reform efforts Specifically the new expectations for principals include building a vision concentrated on student education and learning developing the process of education and learning managing the process of change according to a scientific methodology communicating with stakeholders and creating an innovative environment to develop learning communities In order to meet these expectations principals in Saudi Arabia first need to examine their current leadership capacities based on a validated leadership assessment The National Association of Secondary School Principals NASSP developed a framework called 10 Skills for Successful School Leaders which provides such a validated assessment NASSP 2014 The NASSP 2014 framework closely matches the new MOE vision and therefore was used to guide this study This descriptive survey research sought to determine the degree to which Saudi principals believe they currently use NASSP s 2014 10 leadership skills and their perceptions of the importance of these skills to the process of school change In a web based administration of the survey data was collected from 338 public school principals in Tabuk Saudi Arabia Findings indicate the principals perceived using the 10 skills with high to moderate frequency Written communication teamwork and oral communication skills were perceived to be used in their work more than other skills The principals however believed all skills were highly important for leading and facilitating change Principals rated the ability to understand one s own strengths and weakness teamwork and oral communication skills as most important to being a successful school leader Finally there was a positive linear relationship between the use and importance of the 10 skills Suggestions for policy
