**Skookum** Shannon Applegate,1990-01-01 Culled from the documents letters journals recollections manuscripts and photographs collected by the pioneer women of her family the author reconstructs their perilous 1843 journey to Oregon and a view of the emerging West      **Ghost Stories from the Pacific Northwest** Margaret Read MacDonald,2005-12-19 Tales of ghosts inhabiting the Pacific Northwest include stories of haunted houses departed loved ones and disturbed Native American burial sites      [Women in Pacific Northwest History](#) Karen J. Blair,2016-06-01 This new edition of Karen Blair s popular anthology originally published in 1989 includes thirteen essays eight of which are new Together they suggest the wide spectrum of women s experiences that make up a vital part of Northwest history      **Genealogies Cataloged by the Library of Congress Since 1986** Library of Congress,1991 The bibliographic holdings of family histories at the Library of Congress Entries are arranged alphabetically of the works of those involved in Genealogy and also items available through the Library of Congress      [The Modoc War](#) Robert Aquinas McNally,2017-11 On a cold rainy dawn in late November 1872 Lieutenant Frazier Boutelle and a Modoc Indian nicknamed Scarface Charley leveled firearms at each other Their duel triggered a war that capped a decades long genocidal attack that was emblematic of the United States conquest of Native America s peoples and lands Robert Aquinas McNally tells the wrenching story of the Modoc War of 1872 73 one of the nation s costliest campaigns against North American Indigenous peoples in which the army placed nearly one thousand soldiers in the field against some fifty five Modoc fighters Although little known today the Modoc War dominated national headlines for an entire year Fought in south central Oregon and northeastern California the war settled into a siege in the desolate Lava Beds and climaxed the decades long effort to dispossess and destroy the Modocs The war did not end with the last shot fired however For the first and only time in U S history Native fighters were tried and hanged for war crimes The surviving Modocs were packed into cattle cars and shipped from Fort Klamath to the corrupt disease ridden Quapaw reservation in Oklahoma where they found peace even more lethal than war The Modoc War tells the forgotten story of a violent and bloody Gilded Age campaign at a time when the federal government boasted officially of a peace policy toward Indigenous nations This compelling history illuminates a dark corner in our country s past      [The World of the American West](#) Gordon Morris Bakken,2016-12-12 Addressing everything from the details of everyday life to recreation and warfare this two volume work examines the social political intellectual and material culture of the American Old West from the California Gold Rush of 1849 to the end of the 19th century What was life really like for ordinary people in the Old West What did they eat wear and think How did they raise their children How did they interact with government What did they do for fun This encyclopedia provides readers with an engaging and detailed portrayal of the Old West through the examination of social cultural and material history Supported by the most current research the multivolume set explores various aspects of social history family politics religion economics and recreation to illuminate aspects of a society s emotional life interactions

Neiderheiser,2011-02 A history of Oregon without Jesse Applegate would be like Exodus without Moses Like Moses Jesse led pioneers through the wilderness across the Oregon Trail in 1843 Like Moses he was a law giver and like Moses when proper provocation occurred he sometimes threw down the tablets Jesse Applegate A Dialogue with Destiny gives a comprehensive historical perspective to the life of this interesting complicated man who played a major role in the formation of Oregon Throughout his amazing life he led the cow column of 43 west to Oregon wrote the constitution of 45 played a major role in the solving of the Cayuse War led the expedition to find a new southern route in 46 and fought to keep Oregon free of slavery But perhaps even more important was the moral compass he provided for the emerging Oregon society Through his letters to editors of newspapers and to prominent political figures he provided comment council criticism and loyal opposition to those in power His opinions were sought by local state and federal leaders as well as the historians of the day *Skookum*

Shannon Applegate,1988 *Skookum* is the startlingly original narrative rendering of the experiences of a prominent westering family from 1843 to the present The remarkable story of the Applegate family encompasses many of the predominant themes of the early American West the overland crossing via the old Oregon Tail in 1843 the quirky restlessness of Applegate men who after reaching the promised land permitted their travel worn families to rest only for a while the effects of the intermittent gold rushes that continued to upset family life long after 1849 the troubled relations between the settler and the Indian Shannon Applegate is interested not only in what happened to her family but in what it meant to them How did it feel to be a mother witnessing the death of her child on the way to Oregon or to be a settler's son watching his Indian friends and old playmates rounded up in the dead of winter and marched off to the reserves What did it do to the course of a young woman's life when she learned that her father has scratched her name from the family Bible What sort of world was it where an old blue sugar bowl filled with gold dust could be unconcernedly set out in plain sight From paper dustcover Autobiography and Questions of Gender Shirley Neuman,2015-08-14 Originally published in 1991 Addressing the ways in which the ideology of gender and its social construction determine autobiographical self representations the essays here consider several women's works in the light of the social and historical conditions which enabled their production Some examine diaries as a feminine form and ask about the ways in which thematic content such as childbirth can or cannot be represented in diaries and public discourse at different historical junctures Others show the pressures of gender roles and how they have led to new genres in which self representation is often a refraction of the representation of others With the tools of gender theory the representation of hermaphroditism masculinity and male bodies is analysed and the ways in which gender intersects with racial sexual and class ideologies is also looked at in seeing autobiography as a form of agency in self construction

**Wilderness and the American Spirit** Ruby McConnell, 2024-03-19 Wilderness and the American Spirit is a gripping exploration of the American spirit and our relationship to the environment that blends science history cultural criticism and storytelling through the myths and stories of the American West along the Applegate Trail The book tells a story of expansion of a nation across the continent illuminating the path we took to arrive here in the 21st century at the forward edge of environmental catastrophe and consequence Told through stories of the first American emigrants who traveled west to the present day These are stories of consumption wealth and power that illuminate the American relationship to the environment and this storytelling model is a basis for new environmental thinking *Frontier Children* Linda Peavy, Ursula Smith, 2002-10-01 Vintage photographs accompany the stories of pioneer children and their families *A History of Women in the United States: Nevada-South Dakota*, 2004 Coquelle Thompson, Athabaskan Witness Lionel Youst, William R.
