*Taking Flight* M. Houston Johnson, 2019-02-21 Taking Flight explores the emergence of commercial aviation between the world wars and in the midst of the Great Depression to show that the industry's dramatic growth resulted from a unique combination of federal policy technological innovations and public interest in air travel Historian M Houston Johnson V traces the evolution of commercial flying from the US Army's trial airmail service in the spring of 1918 to the passage of the pivotal Air Commerce Act of 1938 Johnson emphasizes the role of federal policy particularly as guided by both Herbert Hoover and Franklin Roosevelt to reveal the close working relationship between federal officials and industry leaders as well as an increasing dependence on federal assistance by airline airframe and engine manufacturers Taking Flight highlights the federal government's successful efforts to foster a nascent industry in the midst of an economic crisis without resorting to nationalization a path taken by virtually all European countries during the same era It also underscores an important point of continuity between Hoover's policies and Roosevelt's New Deal a sharp departure from many interpretations of Depression era business history and shows how both governmental and corporate actors were able to harness America's ongoing fascination with flying to further a larger economic agenda and facilitate the creation of the world's largest and most efficient commercial aviation industry This glimpse into the golden age of flight contributes not only to the history of aviation but also to the larger history of the United States during the Great Depression and the period between the world wars

*Solo into the Rising Sun* Ed Kittrell, 2020-06-01 When we think about World War II bombers we picture formations of scores of bombers escorted and protected by fighters flying into enemy territory and bombing the hell out of the enemy In Europe and usually the Pacific this was the standard approach but

some bomber squadrons flew a different kind of mission This was the case for VPB 117 the Blue Raiders unique not only because its B 24 Liberators flew for the U S Navy and not the Army but also because most of the Raiders missions entailed bombers venturing out over the Pacific alone to seek and destroy on long range missions of a thousand miles out and a thousand back often at altitudes close enough for sea spray to cloud their windows This is their story When We Were Brave Suzanne Kelman,2020-02-24 The face of the woman in the photograph was tilted upwards as if enjoying the sunshine just for a moment even as the wreckage of the bombed out street lay behind her 1944 Cornwall Blinded by love Vivienne Hamilton eloped to Paris with a Nazi prisoner of war never to be seen again A disgrace to her family her name would not be mentioned by any of her relatives for over 75 years Present day London When Sophie discovers a photograph of her great aunt Vivi from World War Two it throws her into a world of confusion Because as she learns about this secret relative she quickly realises that the photograph doesn't fit with her family's story It shows Vivi leaving an address associated with a spy network in London a place she had no reason to be and it is dated right before she disappeared Meanwhile Sophie's own life feels as blasted and bombed as the blitzed city in the photograph she's looking at Her beautiful daughter as full of joy and wild energy as Vivi had apparently once been is gone and Sophie's heart has been left broken into pieces Retreating to the family home in rural Cornwall to seek solace from her pain and the feelings of guilt that she could have done more to protect her daughter Sophie finds herself becoming obsessed with Vivi's life But nothing can prepare Sophie for what she is about to uncover the story of a woman who risked everything for the person she loved the most and a secret family history that could be the key to Sophie's own future A powerful haunting and unforgettable read about love heartbreak and betrayal set in Second World War Britain and France Perfect for fans of *The Nightingale* *Beneath a Scarlet Sky* and *My Name is Eva* Readers love *When We Were Brave* Wow Just wow This book kept me on the edge of my seat right from the get go An amazing story Goodreads Reviewer 5 stars Fantastic Historical fiction at its best Characters that you fall in love with a story you will hate to end NetGalley Reviewer Totally captivating About the bravery of the silent heroes of WWII the secret agents who intercepted codes A wonderful compelling story that will grip you to the very end it will break your heart but it will also leave you with a sense of gratitude for these selfless individuals I can't stop thinking about this story Krafti Reader 5 stars I am hooked on this FANTASTIC author *When We Were Brave* is another OUTSTANDING piece of fantastic writing I have nothing but total admiration Goodreads Reviewer 5 stars Mesmerising and captivated me with every turn of the page Absolutely heart breaking Filled with sadness love courage and sacrifice I couldn't put this book down Stardust Book Reviews 5 stars A heartbreaking tale of war love loss betrayal and courage Goodreads Reviewer 5 stars Oh my goodness I loved this book A beautifully woven time slip novel This story and its characters will stay with me Goodreads Reviewer 5 stars I LOVED THIS BOOK Vivi is a fierce heroine and represents the bravery that everyone had to have during the war I recommend this book to everyone that loves historical fiction NetGalley Reviewer 5 stars A truly heartbreaking and inspirational read I was
