Slam Personal Trainer:

ACSM's Resources for the Personal Trainer American College of Sports Medicine, 2013-03-22 ACSM's Resources for the Personal Trainer provides a broad introduction to the field of personal training covering both basic science topics and practical application. It was originally designed to help people prepare for the ACSM Personal Training Certification Exam. It continues to serve that function but the market for it has expanded to practitioners in the field looking for an additional resource as well as in an academic setting where the book is a core text for personal training programs. **A Professional's Guide to Small-Group Personal Training** Keli Roberts, 2022 A Professional's Guide to Small Group Personal Training will help you incorporate group dynamics and your knowledge of training principles to develop new business offerings. Attract new clients and improve their performance adherence and enjoyment in a small group setting. **Personal Trainer's Guide to Program Design** IDEA Health & Fitness, 2002 [NSCA's Essentials of Personal Training](#) NSCA - National Strength & Conditioning Association, Brad J. Schoenfeld, Ronald L. Snarr, 2021-11-23 Developed by the National Strength and Conditioning Association NSCA NSCA's Essentials of Personal Training Third Edition With HKPropel Access is the definitive reference for personal training professionals and students. This comprehensive guide to personal training with contributions from leaders in the field provides the most accurate and reliable information and guidance for current and aspiring professionals. Updated to reflect the latest research with clear explanations of supporting scientific evidence, this edition will give readers the knowledge, skills, and abilities (KSAs) needed by modern personal training professionals. New content addresses the latest objectives found on the National Strength and Conditioning Association's Certified Personal Trainer NSCA CPT exam, maintaining this text's position as the single best resource for those preparing for the NSCA CPT exam. NSCA's Essentials of Personal Training Third Edition provides guidelines for the complex process of designing safe, effective, and goal-specific resistance, aerobic, plyometric, and speed training programs for clients of all ages and fitness levels. With comprehensive coverage of various categories of unique client needs, readers will learn how to make specific modifications and adjust exercise programs for each individual client. Multiple fitness testing protocols and norms for each component of fitness, including 10 new tests, are all presented along with instructions that are detailed yet easy to follow. Over 200 full-color photos and accompanying instructions clearly describe and visually show proper technique for exercises and drills, including stretching, plyometrics, and stability ball exercises. There are new sections on suspension training, manual resistance training, and common types of resistance training equipment. Plus 27 online videos delivered through HKPropel demonstrate exercise technique in action, preparing readers to instruct clients through safe exercise performance. Students will also be able to complete chapter quizzes assigned by instructors through HKPropel. Study questions at the end of each chapter, written in the same style and format as those found on the NSCA CPT exam, facilitate learning of chapter content and fully prepare candidates for exam day. Practicing professionals and aspiring professionals alike will benefit from a new appendix of advice.

on building a successful career as a personal trainer NSCA's Essentials of Personal Training Third Edition remains the most comprehensive resource available for personal training preparation and professional development Unmatched in scope this essential text continues to be a definitive reference for current and future personal trainers exercise instructors fitness facility and wellness center managers and other fitness professionals Note A code for accessing HKPropel is not included with this ebook but may be purchased separately
