## Slap Shot:

*Slap Shot Original* Dave Hanson, Ross Bernstein, 2013-10-01 More than 30 years after its cinematic debut *Slap Shot* remains one of the most popular sports movies of all time and this book is actor Dave Hanson's firsthand account of its making. Starring the legendary Paul Newman, the movie was based on the hilarious and outrageous antics of the fictitious Charlestown Chiefs, a tough as nails minor league hockey team in the early 1970s. In financial trouble and due to fold at the end of the season, they bring in the Hanson Brothers, three of the toughest hockey players around, in a desperate bid to sell tickets. What ensues is pure comic genius. Here Dave Hanson, who played ringleader Jack Hanson in the film, not only opens the vault and dishes the dirt on the making of the movie from the bench-clearing brawls and the practical jokes on set to the legendary partying that went on during filming, but also explores how the movie changed his and many of the cast and crew's lives forever.

*The Science of a Slap Shot* Ellen Labrecque, 2015-08-01 This book discusses the science behind various elements of ice hockey, particularly a slap shot. The chapters examine case studies of famous sports moments, explain how the athletes perform these actions, and document the history of how scientists, doctors, and coaches have been working to make these sports safer. Sidebars include thought-provoking trivia. Questions in the backmatter ask for text-dependent analysis. A timeline provides history, key developments, and advancements associated with the sport.

**The Making of Slap Shot** Jonathon Jackson, 2010-09-23 How a movie about minor league hockey became a box office hit and an international cult classic. Even thirty odd years after *Slap Shot*'s release, diehard hockey fans can still recite scenes of dialogue by heart, making lines like "putting on the foil" just common argot for the devoted. Yet many may be surprised to learn that the true story behind the making of the film is as captivating as the film itself. In *The Making of Slap Shot*, veteran sports writer Jonathon Jackson lets fans not only relive just how the film was made, but brings to light surprising facts: i.e. Al Pacino was the first choice for the role of Reggie Dunlop. Almost every scene, even the absurd and unbelievable ones, depicts a real-life event. With access to those involved in the making of the film, he brings to life some of the magic behind the creation of memorable scenes and characters, especially the Charlestown Chiefs, one of the most popular fictional sports teams in history. Based on interviews with over 50 cast members, production staff, and anyone of note involved in the film's creation, *Destined to be a Collectible and Keepsake* along with the jerseys, bobbleheads, and other paraphernalia associated with the film, *The Making of Slapshot* is a must for fans eager to learn even more about their favorite film.

**Slap Shot Synonyms and Antonyms** Anna Prokos, 2009-01-01 An introduction to the concept of synonyms and antonyms via a story about hockey.

*Creating Slapshot* Cassandra Carr, 2015-04-10 Can a man disappear forever and build himself a new life, or will his past catch up with him? Follow this 10-part serial throughout 2015 featuring Ethan, aka Slapshot, a hockey player whose life is ruined, forcing him to disappear forever. Ethan joins Underground, a black ops organization, and is trained as a deadly operative. There he meets Ciana, a woman with a dark past of her own. As Ethan and his Underground colleagues embark on dangerous missions,

worldwide he finds a new purpose in life But will his former problems come back to haunt him I ve left my old life behind and officially joined Underground It appears no one knows where I am or even if I m still alive I don t know how I feel about that My friends thinking I m dead leaves a hole in my heart but I ll drive myself crazy if I obsess about it So rather than allowing myself to wallow in self pity or anger about what s happened I m throwing all my energy into training You would think that whole elite athlete thing would make everything easier but all these new techniques I need to master hand to hand combat weapons training surveillance procedures are kicking my ass For my whole life I ve only had one identity Ethan hockey player Now that sense of self is gone forever slowly being replaced by my new identity Slapshot Surreal doesn t even begin to describe this transformation But the more I find out about the world around me the problems I ignored for the most part as I played a game for an obscene amount of money the more I want to make a difference This is not a game It s real life and I have the chance to be a hero It s going to take everything I have or have left to do it      Slap Shot Science Alain

Haché,2015-11-30 A fast paced look at the fascinating science that explains the game of hockey From the moment the first player steps onto the ice every conceivable principle of science is in play To understand hockey fully understand it Alain Hach argues that you must first learn how ice reacts to a passing blade how the trajectory and aerodynamics of the puck affect its chances of getting into the net how the tension on the stick transfers energy to the puck and dozens of other details of the game Slap Shot Science is an under the hood behind the scenes action packed romp through special moments in the game as seen from the perspective of science and explained in a way everyone can understand Among the topics Hach discusses are the differences between real ice and synthetic ice the perfect amount of sharpness for a skate how goalies can make spectacular saves even though the puck is traveling 100 miles per hour whether players are skating faster today than in years past and how equipment prevents many serious injuries Slap Shot Science shows us how statistics can predict future performance by players and teams and why they can also be misused in many ways By the close of the book you ll see hockey in a more sophisticated and scientific light and the reasons things happen the way they do will be clearer than ever      **Boys'**
