Sleepy Me:

Sleepy Stories Mario Levrero, 2021-07-06 A buoyant account of the nightly tug of war between a sleepy father and his son and the richly imaginative sleepy stories they create Each story told in Sleepy Stories drifts deeper into a beguiling dream world telling of an elastic gentleman who stretches his body across town to effortlessly slip into bed or of another sleepy young man who curls inside an upside down umbrella to take a snooze In Diego Bianki's magical universe the waking world is made small a French press and a red top hat shrink before our eyes while the dream world Levrero and his son Nicol's build together a land of sly frogs giant apes and smiling squids waltzes across the page On the last of Bianki's whimsical illustrations Nicol's holds the book over his father's nodding head and says Another This is a book to giggle with and curl up with to take on every sleepy adventure *Make Me Whole (An M/M Romance)* S.E. Loveless, I took him in I helped to heal him But it was he who made me whole Dan and I were friends from work I never thought anything romantic could blossom between us We went to the movies as friends never as dates We went hiking together as friends never as a couple I knew I was missing something in my life I just didn't know what Or who Until one fateful hike Dan slipped and broke his leg I did the best I could administered what first aid I could and together we made it to the hospital But he was going to be immobile for a while and he needed someone to take care of him I volunteered I wanted to help my good friend heal I took him into my home And suddenly my life felt so much more complete as though until now I was not whole just one part But I don't know how Dan feels All I know is that I'll take care of him I'll help him heal I never expected that it would be him who made me feel whole I never expected that in his own way he would heal me **A Little Peace of Mind** Nicola Bird, 2019-05-07 Do you feel like anxiety is making your life smaller Are you always worried about the next panic attack Or are you so stressed that you can't remember when you last felt peaceful and happy What if there was a simple solution that meant you could stop coping and start living For more than 20 years Nicola Bird experienced anxiety and panic attacks sometimes so severely she couldn't leave the house She tried everything including medication psychiatric counselling yoga and NLP Then she stumbled upon a completely different way of understanding the human mind that changed her relationship with anxiety forever In *A Little Peace of Mind* Nicola opens up about her own experiences and shares simple ideas to help you realise your own innate mental health and wellbeing At the heart of this understanding you'll discover the peace of mind that has been eluding you all this time **Blackwood's Edinburgh Magazine**, 1878 *Lost With Me* J. Conversations with my Son TerryAnn Fisher and Troy Michaels,2010-07-13 A READER REVIEW AWESOME That is the only way I can describe your book but I have to explain It was hard to put down I did not cry all the way through either There were times the tears welled up but I did not need the box of Kleenex I did not find it depressing either You were so very lucky to have that precious time I do not get books often that hold me like this one It was very well written I hope that is a compliment since I m not a critic Even though I knew what the end was going to be the suspense was still there I can t explain it but it was like the book had a hold on me I could visualize the house even though I have never been there including the cow in the yard I could even visualize your husband leaving for work and just being there Troy's image changed as he got sicker I wish I would have known Troy It would have been an honor To care for a terminally ill person is a commitment and one you never forget But it does make you reflect on the good times shared I can go on and on but to sum it up It is a GREAT book I think everyone should read it
