Slut Growing Up Female With A Bad Reputation:

Slut! Leora Tanenbaum, 1999-05-04 Leora Tanenbaum's *Slut* is a groundbreaking account of the lives of young women who stand up to the destructive power of namecalling written by one of the rising young talents of journalism today. *Slut* seamlessly weaves together three narrative threads: powerful oral histories of girls and women who tell us their stories and how they finally overcame sexual labeling; Leora's own story and her cogent analysis of the underlying problem of sexual stereotyping.

Slut! Leora Tanenbaum, 1999 Includes firsthand accounts from women ages fourteen through sixty-six about how being labeled a slut can affect every aspect of one's personality and how growing up with a bad reputation not only hampered but also freed them. Tour *Slut!* Leora Tanenbaum, 2000-08-22 Girls may be called sluts for any number of reasons including being outsiders, early developers, victims of rape, targets of others' revenge. Often the labels have nothing to do with sex; the girls simply do not fit in. An important account of the lives of these young women, *Slut* weaves together powerful oral histories of girls and women who finally overcame their sexual labels with a cogent analysis of the underlying problem of sexual stereotyping. Author Leora Tanenbaum herself was labeled a slut in high school. The confessional article she wrote for *Seventeen* about the experience caused a sensation and led her to write this book. *The Kaleidoscope of Gender* Joan Z. Spade, Catherine G. Valentine, 2008 This integrated comprehensive text provides an introduction to the sociology of gender. It creatively and clearly explains what gender is and is not and what it means to say that gender is socially constructed.

Stripped Bernadette Barton, 2006-05 Bernadette Barton takes us inside countless strip bars and clubs from upscale to back road as well as those that specialize in lapdancing, table dancing, topless only, or peep shows to reveal the startling lives of exotic dancers. **Rock Brands** Elizabeth Barfoot Christian, 2010-12-22 *Rock Brands: Selling Sound in a Media Saturated Culture* edited by Elizabeth Barfoot Christian is an edited collection that explores how different genres of popular music are branded and marketed today. The book's core objectives are addressed over three sections. In the first part of *Rock Brands*, the authors examine how established mainstream artists' bands are continuing to market themselves in an ever-changing technological world and how bands can use integrated marketing communication to effectively brand themselves. This branding is intended as a protection so that technology and delivery changes don't stifle the bands' success. KISS, AC/DC, Ozzy Osbourne, Phish, and Miley Cyrus are all popular musical influences considered in this part of the analysis. In the second section, the authors explore how some musicians effectively use attention-grabbing issues such as politics, for example, Kanye West, and countless country musicians and religion, such as with Christian heavy metal bands and Bon Jovi, in their lyrics and also how imagery is utilized by artists such as Marilyn Manson to gain a fan base. Finally, the book will explore specific changes in the media available to market music today, see M.I.A. and her use of new media, and similarly how these resources can benefit music icons even after they are long gone, as with Elvis and Michael Jackson. *Rock Brands* further examines gaming, reality television, and social networking sites as new outlets for marketing and otherwise experiencing

popular music What makes some bands stand out and succeed when so many fail How does one find a niche that isn't just kitsch and can stand the test of time allowing the musician to grow as an artist as well as grow a substantial fan base Elizabeth Barfoot Christian and the book's contributors expertly navigate these questions and more in *Rock Brands Selling Sound in a Media Saturated Culture*

All Made Up Audrey Brashich, 2009-07-15 Don't believe everything you read Open any magazine or turn on any TV show and you'll be bombarded with air brushed perfectly styled and made up celebrities and super models icons of beauty that real women can never match Too often girls measure themselves against these unrealistic images and find themselves lacking But we can all break free from the cult of celebrity and start liking the face we see in the mirror once we understand that many of these images of beauty are all made up In the spirit of *Fast Food Nation* media awareness activist Audrey Brashich delivers an in depth informative and eye opening look at the effect the media and pop culture has on young women's self images

The Bully Society Jessie Klein, 2013-08 Choice's Outstanding Academic Title list for 2013 Through interviews and case studies Klein develops an explanation for bully behavior in America's schools In today's schools kids bullying kids is not an occasional occurrence but rather an everyday reality where children learn early that being sensitive respectful and kind earns them no respect Jessie Klein makes the provocative argument that the rise of school shootings across America and childhood aggression more broadly are the consequences of a society that actually promotes aggressive and competitive behavior *The Bully Society* is a call to reclaim America's schools from the vicious cycle of aggression that threatens our children and our society at large Heartbreaking interviews illuminate how both boys and girls obtain status by acting masculine displaying aggression at one another's expense as both students and adults police one another to uphold gender stereotypes Klein shows that the aggressive ritual of gender policing in American culture creates emotional damage that perpetuates violence through revenge and that this cycle is the main cause of not only the many school shootings that have shocked America but also related problems in schools manifesting in high rates of suicide depression anxiety eating disorders self cutting truancy and substance abuse After two decades working in schools as a school social worker and professor Klein proposes ways to transcend these destructive trends transforming school bully societies into compassionate communities

Stripped, 2nd Edition Bernadette Barton, 2017-01-17 What kind of woman dances naked for money Bernadette Barton takes us inside countless strip bars and clubs from upscale to back road as well as those that specialize in lap dancing table dancing topless only and peep shows to reveal the startling lives of exotic dancers Originally published in 2006 the product of years of first hand research in strip clubs around the country *Stripped* is a classic portrait of what it's like for those who choose to strip as a profession Barton explores why women begin stripping

the initial excitement and financial rewards of the work the dangers of the life namely drugs and prostitution and inevitably the difficulties in staying in the business over time especially for their relationships sexuality and self esteem In this completely revised and updated edition Barton returns to the strip clubs she originally studied to observe the major changes in the industry that have occurred over the last decade She examines how raunch culture affects exotic dancers treatment by their clientele who are now accustomed to seeing nudity and sexualized performance in accessible R and X rated media from a variety of outlets particularly the Internet Barton explores how new media has transformed exotic dancing allowing dancers to build an online brand but also introducing possibilities for customers to take unauthorized nude photos and videos of the entertainers And finally Barton speaks to new dancers as well as dancers she interviewed in the previous edition examining how the toll of stripping still impacts the lives of exotic dancers in a changing industry Incorporating new scholarship new observations and increased awareness of emerging media technology Barton brings a fresh and important perspective on the challenges that women face working in the still thriving world of exotic dancing
