Small Miracles Extraordinary Coincidences From Everyday Life:

Small Miracles Yitta Halberstam Mandelbaum,1998* *Small Miracles* Yitta Halberstam,Judith Leventhal,2008-01-01
Extraordinary Coincidences for Everyday Live **Small Miracles for Women** Yitta Halberstam,Judith

Leventhal,2015-04-07 Each and every woman is special and unique yet as women we all share a common bond through our collective experiences of loving and learning And sometimes fate steps in to miraculously change the lives of women in unforgettable ways affecting them as wives mothers daughters sisters aunts lovers and friends Could they be messages from a higher power Whether these miracles come during times of difficulty or celebration they represent extraordinary opportunities to explore the wonders life has to offer One of the most popular books in the Small Miracles series this beautifully repackaged and expanded volume collects more than 50 inspirational unforgettable and even divine stories of coincidence experienced by women from all walks of life **Small Miracles** Yitta Halberstam Mandelbaum,Judith

Leventhal,1997 Small Miracles Adams Media Corporation,1997 **Spiritual Films** James Piper,2013-08-02 For decades centuries even when people thought of spirituality they thought only of religion I aim to stretch the tent of spirituality in this e book to include secular experience My particular approach to secular spirituality is through the medium of film Characters in the 43 films I discuss come to spirituality without religion In some of these films religion nibbles at the edges of events as when in the Brazilian film Central Station Dora the cynical letter writer leaves hard bitten Rio with a boy she hopes to return to his father and finds herself surrounded by evangelicals shrines and churches She does not have any kind of religious conversion but there is no denying that the piety of the countryside softened her and escorted her into spirituality Now and then I quote assorted Buddhists Muslims Christians and Jews but usually only when their remarks throw light on secular matters I have avoided relying on muddled mystics who write about the Great Turning Cosmic Oneness of Everything I dont know what they are talking about **Connecting with Coincidence** Bernard Beitman,2016-03-07 We ve all experienced or

heard of surprising events and unexplainable coincidences money that seems to come from nowhere a spontaneous idea that turns into a life changing solution meeting our soulmate on a flight we weren t supposed to take or families being reunited by accident after years of separation Often these coincidences are explained as being controlled by a higher power or pure chance But for the first time since Carl Jung s work comes bold new research that explains scientifically how we can identify understand and perhaps even control the frequency of coincidences in our everyday lives Bernard Beitman a leading expert on Coincidence Studies proposes a greater personal responsibility which depends partly upon newly discovered grid cells located in the brain near the hippocampus But neuroscience cannot complete the entire puzzle and in this fascinating guide Beitman provides the missing piece From analyzing true stories of synchronicity from around the globe and throughout history he shares key personality characteristics and situational factors that contribute to the occurrence of meaningful coincidences in our lives Where other books on coincidences tend to be theoretical inspirational or story collections only

Beitman's book is the first to provide a scientific understanding and practical ways in which readers can use them in their own lives. He reveals how to activate your observing self so you don't miss synchronistic moments. How serendipity can offer insights into solving problems or making difficult decisions. Why stress activates meaningful coincidences. Which states of mind impede our ability to experience synchronicity. How to interpret the meaning of a coincidence. Why being attuned to coincidences is a learned skill and how to hone your sensitivity.

Spiritual Films Jim Piper, 2012-10-25 For decades centuries even when people thought of spirituality they thought only of religion. I aim to stretch the tent of spirituality in this book to include secular experience. My particular approach to secular spirituality is through the medium of film. Characters in the 43 films I discuss come to spirituality without religion. In some of these films religion nibbles at the edges of events as when in the Brazilian film *Central Station* Dora the cynical letter writer leaves hard bitten Rio with a boy she hopes to return to his father and finds herself surrounded by evangelicals, shrines and churches. She does not have any kind of religious conversion but there is no denying that the piety of the countryside softened her and escorted her into spirituality. Now and then I quote assorted Buddhists, Muslims, Christians and Jews but usually only when their remarks throw light on secular matters. I have avoided relying on muddled mystics who write about the Great Turning, Cosmic Oneness of Everything. I don't know what they are talking about.

A Handbook for Heretics John W. Sloat, 2009-09 A Handbook for Heretics discusses the differences between religion and the Kingdom of God. Many mainline churches resist the current reformation, a gradual movement away from traditional Christianity toward a vital spirituality. Its adherents are frequently labeled heretics when in fact they are actually the leading edge of a new spiritual age. They are discovering the much more which Jesus promised to tell us, such spiritual phenomena as out of body and near death experiences, pre birth and post death appearances, angel communication and coincidental experiences. A Handbook for Heretics reconsiders some traditional Christian doctrines so as to broaden the church's view of spiritual reality. About the Author John W. Sloat, a former Presbyterian minister, served churches in Pennsylvania and Ohio. He holds a B.A. from Denison University, 1954, an M.Div. from Princeton Seminary, 1957, and a Th.M. from Pittsburgh Seminary, 1977. Previous books include *Lord Make Us One* (non-fiction), 1986, and *The Other Half* (fiction), 2001. Several of his sermons have been included in *Pulpit Digest*, a national preaching journal. He is married to Helen Burdick Sloat, a psychiatric nurse, and they have three children and eight grandchildren. A pianist and organist, Sloat also plays the French horn, is a scratch model builder, and leads spirituality groups.
