Small Earthquake in Chile Alistair Horne, 1972 Small Earthquake in Chile Alistair Horne, 1972 As a historian making a grand tour of major cities and savage hinterlands alike Alistair Horne fortunately yields to the temptation to provide the essential background anecdotes from the vanished civilization of the Incas to the contemporary bourgeois family weekend and the secret plans of the radical MIRistas As a traveler in the persona of a most politically astute journalist and spurred by the droll companionship of one William F Buckley Jr he takes us on a journey under all imaginable conditions which includes interviews with dignitaries peasants and Commandante Pepe Chile s would be Che and which like De Toqueville s must forever and constructively change our view of another world Jacket flap 1986-1987 John Paxton, 2021-06-21 No detailed description available for 1986 1987 **Historical Dictionary of Chile** Salvatore Bizzarro, 2017-02-13 This two volume Historical Dictionary of Chile covers the economy and the environment political parties and history and reprehensible period of dictatorship during a crucial time in Chile s history The end of the iron fist rule of Augusto Pinochet who ruled from 1973 until 1990 however allowed a return to democratic rule and the country kept searching for coherence and unity in national life among diverse and often discordant elements This fourth edition of Historical Dictionary of Chile contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Chile **1987-1988** John Paxton, 2021-06-21 No detailed description available for 1987 1988 **1985-1986** John Paxton, 2021-06-21 No detailed description available for 1985 1986 1972, *The Longest Year in History, Volume 3* Blake Lee Mahon, 1999-01-01 In 1972 The Longest Year in History Volume 3 Blake Lee Mahon turns to the quieter battlefields of the Cold War those fought not with guns and bombs but with pawns queens and global television cameras As wars raged in Vietnam and the memory of the Munich massacre was still raw the world stopped to watch a different kind of confrontation unfold in Reykjavik Iceland There Bobby Fischer the enigmatic American prodigy challenged Boris Spassky the Soviet Union s reigning champion and symbol of intellectual supremacy Their chess match became far more than a game it was East versus West distilled into sixty four squares a bloodless war fought with silence and brilliance Reporters treated every move as a military maneuver every pause as a diplomatic crisis Even Henry Kissinger called Fischer urging him to play for the honor of the country But beyond grandmasters and geopolitics this was the year the world learned that no arena no matter how sacred was safe from violence The Munich Olympic Games intended to showcase peace and a new face of Germany became the stage for one of the most shocking acts of terrorism in modern history Black September s assault on the Israeli athletes shattered the illusion of Olympic innocence and the botched rescue attempt at F rstenfeldbruck turned tragedy into catastrophe While Fischer rose as America s unlikely hero the world mourned the slain athletes and realized that ideology could invade even the spaces built

for unity Volume 3 is a haunting contrast triumph of mind against machine in Iceland and the brutal fragility of peace in Munich This is the story of how 1972 forced humanity to question what victory honor and safety truly meant Hostile Intent Kristian Gustafson,2007 Kristian Gustafson s Hostile Intent reexamines one of the most controversial chapters in U S intelligence history the Central Intelligence Agency s covert operations in Chile from 1964 to 1974 At the request of successive U S presidents the CIA in conjunction with the State Department and the Defense Intelligence Agency first acted to prevent Chilean socialist Salvador Allende from becoming the democratically elected president of his country and then tried to undermine his government once he was in office Allende s government eventually fell in a bloody military coup on September 11 1973 President Richard Nixon s administration and corporate interests were not sorry to see him go but did U S covert operations actually play a decisive role in Allende s downfall The declassification of thousands of U S government documents over the last several years demands that historians take a new look Since 1973 most observers have maintained that U S machinations were responsible for the success of Gen Augusto Pinochet s coup that forced Allende s fall and suicide This assessment has been based on a thin documentary record of U S activity the myth of an all powerful CIA and the CIA s checkered history of covert action in Latin America However Gustafson convincingly shows the conventional wisdom about the impact of U S actions is badly flawed His meticulous research is based upon an intensive examination of previously unavailable U S records as well as interviews with key figures Hostile Intent is the most comprehensive account to date of U S involvement in Chile and its provocative reinterpretation of this involvement will shape all future debates *The Statesman's Year-Book 1986-87* J.
