JUDITH KERR

Small Person Far Away

Liz Levoy

Small Person Far Away:

A Small Person Far Away Judith Kerr, 2012-06-28 Partly autobiographical this is the third title in Judith Kerr's internationally acclaimed trilogy of books following the life of Anna through war torn Germany to London during the Blitz and her return to Berlin to discover the past

The Holocaust across Borders Hilene S. Flanzbaum, 2021-06-29 Literature of the Holocaust courses whether taught in high schools or at universities necessarily cover texts from a broad range of international contexts. Instructors are required regardless of their own disciplinary training to become comparatists and discuss all works with equal expertise. This book offers analyses of the ways in which representations of the Holocaust whether in text, film, or material culture are shaped by national context, providing a valuable pedagogical source in terms of both content and methodology. As memory yields to post-memory, nation of origin plays a larger role in each re-telling, and the chapters in this book explore this notion, covering well-known texts like *Night*, *Hungary*, *Survival in Auschwitz*, *Italy*, *MAUS*, *United States*, *This Way to the Gas*, *Poland*, and *The Reader*, Germany, while also introducing lesser-known representations from countries like Argentina or Australia

The Very Small Person Annie Hamilton Donnell, 1906

The Orphan Band of Springdale Anne Nesbet, 2018-04-10 With the United States on the verge of World War II, eleven-year-old Gusta is sent from New York City to Maine where she discovers small-town prejudices and a huge family secret. It's 1941 and tensions are rising in the United States as the Second World War rages in Europe. Eleven-year-old Gusta's life, like the world around her, is about to change. Her father, a foreign-born labor organizer, has had to flee the country, and Gusta has been sent to live in an orphanage run by her grandmother. Nearsighted, snaggletoothed Gusta arrives in Springdale, Maine, lugging her one precious possession, a beloved old French horn, her sole memento of her father. But in a family that's long on troubles and short on money, how can a girl hang on to something so valuable and yet so useless when Gusta's mill worker uncle needs surgery to fix his mangled hand with no union to help him pay? Inspired by her mother's fanciful stories, Gusta secretly hopes to find the coin like Wish that her sea captain grandfather supposedly left hidden somewhere. Meanwhile, even as Gusta gets to know the rambunctious orphans at the home, she feels like an outsider at her new school and finds herself facing patriotism turned to prejudice, alien registration drives, and a family secret likely to turn the small town upside down

Émigré Voices Bea Lewkowicz, Anthony Grenville, 2021-11-22 In *migr Voices*, Lewkowicz and Grenville present twelve oral history interviews with men and women who came to Britain as Jewish refugees from Germany and Austria in the late 1930s. Many of the interviewees rose to great prominence in their chosen career, such as the author and illustrator Judith Kerr, the actor Andrew Sachs, the photographer and cameraman Wolf Suschitzky, the violinist Norbert Brainin, and the publisher Elly Miller. The narratives of the interviewees tell of their common struggles as child or young adult refugees who had to forge new lives in a foreign country and they illuminate how each interviewee dealt with the challenges of forced emigration and the Holocaust. The voices of the twelve interviewees provide the reader with a unique and original source which gives direct access to the

lived multifaceted experience of the interviewees and their contributions to British culture

Questions About Language Laurie Bauer, Andreea S. Calude, 2020-05-19 Questions About Language sets out to answer in a readable yet insightful format a series of vital questions about language some of which language specialists are regularly asked and some of which are so surprising that only the specialists think about them In this handy guide sixteen language experts answer challenging questions about language from What makes a language a language to Do people swear because they don't know enough words Illustrating the complexity of human language and the way in which we use it the twelve chapters each end with a section on further reading for anyone interested in following up on the topic Covering core questions about language this is essential reading for both students new to language and linguistics and the interested general reader *The Wicked Small People of Whiskey Bridge* Elizabeth Cooke, Jon Oplinger, 2011-10-12 The Little People were a happy and peaceful clan who lived in the crater of a wonderful volcano There they were surrounded by their favorite smellssweet sulfur in particularand were always warm and comfortable It was safe there too because the predators stayed away which was very important for the Little People each of them no more than twelve inches tall Then one terrible day things begin to go wrong The hiss of steam in their happy home comes less and less The sweet sulfur fades growing weaker by the day Their volcano is dying soon it will no longer be a safe warm comfortable place to call home The Little People are forced to flee and they find themselves in a Maine mill town lost and afraid How will they survive Who will come to their aid in this strange new land Luckily two curious kids Timothy and Xandre discover the Little People and befriend the strange clan With the help of their new friendsplus a helpful grandma and a friendly dogthe Little People might be safe after all despite the absence of sulfur and heat At a chaotic town meeting the fates of the Little People will be ultimately decided **Far Away From You** Liz Levoy, 2023-09-19 Elisabeth From the moment he walked in to my coffee shop I was hooked I thought this was the man that I'd been looking for my whole life Our romance was like a dream come true until he vanished from my life and started turning up on the radio and TV instead How am I supposed to get over someone who's literally everywhere Logan Everyone knows me the whole world screams my name Being in a rock band is a dream come true but something is missing My life hasn't been the same since I walked away from her But I suppose it's too late to get Stephanie back now **Facing the Past** Ann Beaglehole, 2015-12-16 In her first book A Small Price to Pay Ann Beaglehole traced the experiences of European refugees to New Zealand in the 1930s In Facing the Past she focuses on the lives of a younger generation the children of those wartime immigrants whose perceptions and experiences of both the old and the new world were very different from their parents At school in the neighbourhood or on the sportsfield many of them were painfully aware of being outsiders in a society unused to cultural diversity Yet their need to belong was frequently complicated by loyalty to the very different ideals and expectations of their parents As one of them comments I was getting two messages the always remember message and the start from now message Based on a wide range of interviews as well as documentary evidence from second generation

refugees worldwide this is a fascinating account of the lives of immigrant children growing up in the decades between the 1940s and 1960s

Historical Dictionary of Children's Literature Emer O'Sullivan, 2023-04-24 History is constantly evolving and the history of children's literature is no exception Since the original publication of Emer O'Sullivan's Historical Dictionary of Children's Literature in 2010 much has happened in the field of children's literature New authors have come into print new books have won awards and new ideas have entered the discourse within children's literature studies
