Smart Trainers Brilliant Dogs:

Smart Trainers Janet R. Lewis,1997-04 **Smart Trainers** Janet Lewis,2011-09-15 Learn how to have a brilliant dog The key is to understand how dogs learn Explains step by step how dogs perceive our commands and respond to them Guaranteed to improve your training skill and strengthen your bond with your dog Also demystifies all of the new training lingo like positive reinforcement negative punishment and forced vs induced No matter what your interest obedience agility tracking herding conformation or just to have a well trained companion this book will make you a smart trainer **Flatwork** Barb Levenson,2018-12-11 Flatwork Foundation for Agility isn t about the obstacles it s about what happens between the obstacles Your dog spends more time between the obstacles running with you on the flat than he does performing the obstacles It s on the flat after all that you set up your dog s approach to the next obstacle It s on the flat where you as handler do most of your job guiding the dog Performing flatwork successfully requires excellent communication between dog and handler Flatwork Foundation for Agility is also about developing a communication system with your dog as you teach him each agility maneuver without the distraction of obstacles As you follow this training program you will develop a set of cues and movements that indicate specific behaviors to the dog and you will become aware of exactly what your body is really saying to your dog Flatwork is your agility foundation teaching you how to handle and how to make all your body language clear consistent coherent and timely while also teaching your dog how to take direction and stay with you on course
