Pearson, Laura N. Van Dyke**

Smashing The Idols:

The Rise and Spread of Islam , *The Gods Are Broken!* Jeffrey K. Salkin, 2022-05-17 The story of Abraham smashing his father's idols might be the most important Jewish story ever told and the key to how Jews define themselves In a work at once deeply erudite and wonderfully accessible Rabbi Jeffrey K Salkin conducts readers through the life and legacy of this powerful story and explains how it has shaped Jewish consciousness Offering a radical view of Jewish existence *The Gods Are Broken* views the story of the young Abraham as the primal trauma of Jewish history one critical to the development of a certain Jewish comfort with rebelliousness and one that happening in every generation has helped Jews develop a unique identity Salkin shows how the story continues to reverberate through the ages even in its connection to the phenomenon of anti-Semitism Salkin's work combining biblical texts archaeology rabbinic insights Hasidic texts some never before translated philosophy history poetry contemporary Jewish thought sociology and popular culture is nothing less than a journey through two thousand years of Jewish life and intellectual endeavor *There Is No Crime for Those Who Have Christ* Michael Gaddis, 2015-03-18 Focusing on the 4th and 5th centuries Michael Gaddis explores how various groups employed the language of religious violence to construct their own identities to undermine the legitimacy of their rivals to advance themselves in the competitive high stakes process of Christianizing the Roman Empire *The Ten Loves of God* Win Green, 2011-03 Surveys show that many today have a deep hunger for God Win's book speaks directly and clearly to this spiritual condition It will clarify and buttress your faith George Gallup Jr pollster author and founding chairman The George H Gallup International Institute With clear prose and compelling insight *The Ten Loves of God* takes the reader into the very heart of God's perfect plan for our lives Yolanda Pierce associate professor Princeton Theological Seminary Moses received God's Ten Commandments atop a mountain and ever since they've served as the moral spiritual foundation for the Judeo-Christian world But are they still relevant in today's high tech religiously diverse sexually aggressive world Of course they are In this book *The Ten Loves of God* Win Green celebrates the gift that each command offers *Cultural Violence and the Destruction of Human Communities* Fiona Greenland, Fatma Müge Göçek, 2020-06-02 This volume brings together leading sociologists and anthropologists to break new ground in the study of cultural violence First sketched in Raphael Lemkin's seminal writings on genocide and later systematically defined by peace studies scholar Johan Galtung the concept of cultural violence seeks to explain why and how language symbols rituals practices and objects are so frequently in the crosshairs of socio-political change Recent conflicts in the Middle East Africa and Central Asia along with renewed public interest in the repertoire of violence applied to the control and erasure of indigenous populations highlights the gaps in our understanding of why cultural violence occurs what it consists of and how it relates to other forms of collective violence *A Dialogue between Haizi's Poetry and the Gospel of Luke* Xiaoli Yang, 2018-05-01 In *A Dialogue between Haizi's Poetry and the Gospel of Luke* Xiaoli Yang offers a conversation between the Chinese soul searching found in Haizi's 1964-1989 poetry and the

gospel of Jesus Christ through Luke's testimony. It creates a unique contextual poetic lens that appreciates a generation of the Chinese homecoming journey through Haizi's poetry and explores its relationship with Jesus Christ. As the dialogical journey, it names four stages of homecoming: roots, vision, journey, and arrival. By taking an interdisciplinary approach, literary study, inter-cultural dialogue, and comparative theology, Xiaoli Yang convincingly demonstrates that the common language between the poet Haizi and the Lukan Jesus provides a crucial and rich source of data for an ongoing table conversation between culture and faith.

[The Inklings and Culture](#) Monika B. Hilder, Sara L. Pearson, Laura N. Van Dyke, 2020-11-24

How did five twentieth-century British authors C. S. Lewis, J. R. R. Tolkien, Charles Williams, Owen Barfield, and Dorothy L. Sayers, along with their mentors George MacDonald and G. K. Chesterton, come to contribute more to the intellect and imagination of millions than many of their literary contemporaries put together? How do their achievements continue to inform and potentially transform us in the twenty-first century? In this first collection of its kind, addressing the entire famous group of seven authors, the twenty-seven chapters in *The Inklings and Culture* explore the legacy of their diverse literary art inspired by the Christian faith, art that continues to speak hope into a hurting and deeply divided world.

The Devil Reads Nietzsche Michael McEwen, 2025-10-15

In this project, Michael McEwen expounds the life and philosophy of Friedrich Nietzsche in order to disciple readers in how to build a biblical theological model of engaging with non-Christian ideologies and narratives.

[The Sufi Path of Love](#) William C. Chittick, 1984-06-30

This is the most accessible work in English on the greatest mystical poet of Islam, providing a survey of the basic Sufi and Islamic doctrines concerning God and the world, the role of man in the cosmos, the need for religion, man's ultimate becoming, the states and stations of the mystical ascent to God, and the means whereby literature employs symbols to express unseen realities. William Chittick translates into English, for the first time, certain aspects of Rumi's work. He selects and rearranges Rumi's poetry and prose in order to leave aside unnecessary complications characteristic of other English translations and to present Rumi's ideas in an orderly fashion, yet in his own words. Thorough, nontechnical introductions to each chapter and selections that gradually present a greater variety of terms and images make this work easily accessible to those interested in the spirituality of any tradition.

[The Tragedy Test](#) Richard Agler, 2018-10-25

When tragedy strikes, we want to know: Why did this happen? How could it have happened? Where is life's justice and fairness? When tragedy strikes, we need to know: What still makes sense? What paths lead to healing? How to deal with the timeless questions? When Rabbi Richard Agler's twenty-six-year-old daughter Talia was struck and killed by a motor vehicle, his understanding of tragedy failed him. This book is an account of a journey: one he had no choice but to take, leading from unimaginable grief to at least partial recovery. In clear and compelling language, with references to both ancient and modern sources of wisdom, Rabbi Agler offers insight for everyone who has or who one day might experience painful loss. *The Tragedy Test* may give you enhanced clarity on some of humanity's most profound questions. It may lead you to reimagine the nature of our universe. It may fundamentally challenge your understanding of the God you thought you knew.

It will not leave you unmoved or unchanged

Thank you unconditionally much for downloading **Smashing The Idols**. Maybe you have knowledge that, people have look numerous times for their favorite books in imitation of this Smashing The Idols, but stop taking place in harmful downloads.
