Smashing Time:

A Time for Us Josephine Cox,2012-01-19 Lucy Nolan has everything she could wish for until tragedy intervenes Josephine Cox's *A Time For Us* is a heartrending saga of love tragedy and undying hope Perfect for fans of Cathy Sharp and Dilly Court Lucy Nolan is the golden girl The only daughter of local grocers Sally and Mike Nolan she's grown up in a home of total love and security The one thing her heart desires is that Jack Hanson might ask her to marry him and when he does eventually propose Lucy is prepared to give up everything to be with him even though it means leaving her beloved parents to live abroad where Jack has been offered an exciting business opportunity But then almost on the eve of the marriage itself tragedy strikes And for the first time in her life Lucy is forced to realise that Fate which has been so kind to her can also be just as cruel What readers are saying about *A Time For Us* Yet another fantastic book to read Right from the beginning I could not put the book down I cried and laughed and cried again Great story line full of twists and turns funny and so enjoyable A real page turner thoroughly enjoyed A really gripping story that held me from start to finish Great characters and a truly believable tale of love and tragedy What a brilliant author I quickly got hooked and couldn't put it down When I feel life is cruel I read one of Josephine's books and I believe in goodness again *Sports from Hell* Rick Reilly,2011-05-31 Bestselling author and ESPN star Rick Reilly delivers a hilarious unabashedly fun and at times skin searing tour through some of the world's most amazing and outrageous sports From the physically and mentally taxing sport of chess boxing to the psychological battlefield that is the rock paper scissors championship to the underground world of illegal jart throwing Rick Reilly subjected himself to both bodily danger and abject humiliation or in the case of ferret legging both in order to personally find the world's strangest sporting event Chronicling his adventures as only he can Rick enters a world of bizarre characters fierce competition and exotic locals with stops in Australia New Zealand Finland Denmark England and even a maximum security prison at Angola Louisiana and the result is a laugh out loud book perfect for any sport's fan **A Time to Risk All** Clodagh Finn,2017-10-13 Clodagh Finn has travelled throughout Europe to piece together the story of this remarkable unknown Irish woman meeting many of those children Mary Elmes saved Here in a book packed with courage heroism adventure and tragedy her story is finally remembered The children called her Miss Mary and they remember her kindness still She gave them food and shelter and later risked her life to help them escape the convoys bound for Auschwitz Turning her back on a brilliant academic career Mary Elmes ventured into a war zone to help children in the Spanish Civil War In 1939 she fled Franco's forces but continued to work with refugees in France when the Second World War broke out In 1942 when it became evident that Jews were being deported to their deaths she smuggled children to safety in the boot of her car She was arrested and imprisoned by the Gestapo but went straight back to work after her release When the war was over Mary married and settled down never speaking about what she had done Her story was forgotten In *A Time to Risk All* her remarkable story is finally remembered as it should be A compelling portrait of an unsung Irish heroine of two wars
