Christopher, Alexandru Bogdan Voda, 2017-05-05 I am a free man who is not conditioned by a job or by any other work which others most probably do I realized that working hard with all your powers does not mean making money At this point when I sit here to write to you other people are working for me helping me to spend a wonderful life in a beautiful and pleasant way Those are the people who are not made to be financially independent and are among those 96% of the global population who are working for those 4% like me I know I may seem a little selfish when I say this but that's what I want to show you in this book I want to get to you the one who is holding my book right now I want to help you with all my strength to get you out of that pile of 96% of people extremely unhappy and to bring you here to this wonderful 4% of happy people Lullaby of Birdland

George Shearing, 2004-04-27 Pianist George Shearing is that rare thing a European jazz musician who became a household name in the US as a result of the Shearing sound the recordings of his historic late 1940s quintet Together with his unique locked hands approach to playing the piano Shearing's quintet with guitar and vibraphone in close harmony to his own playing revolutionized small group jazz and ensured that after seven years as Melody Maker's top British pianist he achieved even greater success in America His compositions have been recorded by everyone from Sarah Vaughan to Miles Davis and his best known pieces include Lullaby of Birdland She and Conception His story is all the more remarkable because Shearing was born blind His candid reminiscences include a behind the scenes experience of New York's 52nd Street in its heyday as well as memories of a vast roll call of professional colleagues that includes all the great names in jazz

economics aesthetics and sex to the political and economic racism that undergirds Detroit's history bring to light rarely acknowledged experiences of longtime Detroiters In these exchanges Stovall enacts an innovative form of ethnographic engagement that offers new modes of integrating the social sciences with the arts in ways that exceed what either approach can achieve alone Hit Them Where it Hurts James Hadley Chase, 2014-04-14 Dirk Wallace is handed a simple assignment find out who's blackmailing Mrs Thorsen's daughter Before long Wallace realises that he's up against some very organised crime And when things turn nasty there's only one thing to do Wallace and his assistant quit the Acme Detective Agency and go it alone There's a score to be settled And Dirk Wallace doesn't want to have to play by the rules *Parasite: A Philosophical Exploration* , 2022-08-22 Parasite is a philosophically interesting film because it presents the ethico biological problem of parasitism in a metaphorical and artistic fashion Michel Serres in his book called The Parasite holds that parasites are not in fact useless but that they establish communications between different spheres and are thus able to transform large scale organisms Parasites import coincidences activate defence systems and establish new links with the host In this book philosophers explore the film from various angles using the ancient satirist Lucian's De Parasito Nietzsche's concept of the vengeance of the weak Dostoyevsky's underground Marxism and many more
