Snake's Revenge Kathleen Kelly, 2018-08-24 My name is Snake and I was once part of the Gritty Devils MC Our deepest darkest secret was buried out at Little River over a decade ago An archaeological discovery now threatens to expose our demons and my world is about to be turned upside down with the return of our old President Drake Brand With the remnants of the Gritty Devils by my side I revisit my darkest days and I work to overcome my hatred of Drake in an effort to protect our secret But will the mysterious supernatural discovery take over our lives and make me forget all about Drake's betrayal or will it create the perfect stage for revenge Only time will tell and from the looks of it we are going to have plenty

Signatures of the Past Marc Maufort, Caroline De Wagter, 2008 In the last decades of the twentieth century North American drama has powerfully enacted the problematic notions of cultural memory and identity as the essays assembled in this critical anthology demonstrate Echoing Derrida's non essentialist interpretation of the term signature this collection provides an innovative focus on North American theatre and drama as a site of latent cultural memories In this volume the concept of cultural memory offers a privileged vantage point from which to redefine issues of diasporic identities exilic predicaments and multi ethnic subject positions at the dawn of a new century Playwrights examined here include noted Canadian and US artists such as Marie Clements Eva Ensler Lorraine Hansberry Tomson Highway Cherr'e Moraga Djanet Sears Guillermo Verdecchia August Wilson and Chay Yew to cite but a few In the process of remembering North American dramatists develop new aesthetic modes in which the signatures of the past merge with the present and foreshadow an imagined future
