American Sucker David Denby, 2005-04-07 In early 2000 the bottom dropped out of the life of writer David Denby when his wife decided to leave him Propelled to make some money quickly and seized by the irrational exuberance of the stock market then approaching its peak Denby enthusiastically joined the investment frenzy Over the next few months he listened raptly to bullish stock analysts dreamy hi tech gurus and boastful heads of companies He plunged into a season of mania and was swept forward on currents of hope greed and hucksterism with cataclysmic results American Sucker is a mesmerising account of those years of madness What begins as a money chase and an engagement with rampant capitalism soon becomes an encounter with such timeless issues as love envy true value and life and death itself This is a classic tale of the bubble related not by a market guru or an investment professional but by a witty perceptive and eloquent outsider *The Devil's*

Truth or Consequences Daniel Asa Rose, 2023-05-01 Daniel Asa Rose was a successful novelist memoirist book critic and columnist for the New York Times Magazine Esquire and others when the top blew off his domestic life His wife of sixteen years wanted out Before he could slip into depression doubt and self loathing Dan's lifelong friend Tony made an irresistible proposition go back to the place where forty years earlier their college road trip had come to a crashing halt T boned by a woman in the decidedly oddball little town of Truth or Consequences New Mexico Dan and Tony return to the scene of the crash in an effort to make sense of that fateful moment He's certain that if he can locate the woman in whose arms he almost died he will find the self he lost and make peace with his life choices since Dan moves into a single wide trailer four blocks from the crash Over the next eight months inexplicable encounters make him fall in love with the New Mexico desert and the wiggly place that embraces him *Truth or Consequences* is a moving true story of hope and redemption It is a funny deeply felt rumination on aging misadventure and the serendipity of second chances

upon the scene featuring adventures set within the correct time period and written by many of today's leading Sherlockian authors from around the world. Those first three volumes were overwhelmingly received and there were soon calls for additional collections. Since then their popularity has only continued to grow. In Fall 2016 the series presented its first themed collection Part V Christmas Adventures containing 30 new adventures that proved to be extremely and enduringly popular. With that in mind we now revisit that season with 57 more Christmas Adventures ranging from a consequential case that occurred when Holmes was still a teenager to another in the late 1920s when Holmes in retirement was still at the top of his game. The fifty-seven stories in these three companion volumes are a thrilling mix of mysteries whatever the season. Some are directly involved with Christmas while others occur during and in around that season. These represent some of the finest new Holmesian storytelling to be found by the best pasticheurs and once again they honor the man described by Watson as the best and wisest whom I have ever known. 57 new traditional Holmes adventures in three simultaneously published volumes.
