Daily Fare Kathleen Aguero, 1993 *Daily Fare* presents seventeen artfully crafted essays in which writers representing a broad spectrum of the American experience ponder the meaning of living in a nation of diverse and competing cultures Consistently thought provoking and often intensely personal these pieces confront such themes as the question of identity the individual's relation to culture problems of communication and the need to strike a balance between preserving traditions and merging them Memories both tender and painful fill these pages Toi Derricotte recalling her experiences as the only black person at an artist colony often found her sense of isolation almost unbearable No one can help Only I myself But how can I let go My face is a mask like Uncle Tom's my heart twisted in rage and fear In *The Death of Fred Astaire* Leslie Lawrence reflects on the difficult decisions that led to her becoming a lesbian mother and the mix of emotions apprehension maternal longing and finally joyous fulfillment that accompanied her choices In *Kubota* Garrett Hongo describes how his grandfather enjoined him to learn and to give witness to the injustices committed against Japanese Americans by their own government during World War II Hongo accepts this responsibility as a ritual payment the young owe their elders who have survived Several bilingual essayists contemplate their relationship to the English language a language that can empower its users or deny them access to the dominant culture For Judith Ortiz Cofer reading books from the public library as a child gave her a sense of freedom as well as her first intimations of the writing career she would later pursue Alberto Alvaro Rios

however reminds us that learning English in the first grade also meant being punished for using Spanish Spanish was bad Okay We then must be bad kids Still other essays explore what it means to confront the confusions of a plural family heritage or to be a black artist from a Catholic background when so much of black culture is tied to the Protestant tradition Despite the current interest in multiculturalism Kathleen Aguero observes the notion of culture in the United States today is too often synonymous with predominantly white male heterosexual upper class Eurocentric interests In bringing together writers from beyond this tradition Daily Fare provides a valuable perspective on our current moment in history As Jack Agueros summing up both the dilemma and the pleasure of our society s diversity writes It s hard and wasteful to be purely ethnic in America definitely wasteful to be totally assimilated **Directory of American Poetry Books** ,1995 **The James White Review** ,1990 **Zapped** Robert Peters,1993 A world acclaimed poet presents two new age novels back to back asbestos A Book for Lepers and How to Make Love to a Foot Both novellas are parodies of the gestalt psychology fad of the sixties and the pop culture of the era A wonderfully experimental text *The Snapshot Killer* Duncan McNab,2019-03-26 Christopher Wilder was about as bad as they get A serial killer and predator he first came to the attention of police in Sydney when as a teenager in 1963 he was charged with rape As a young adult he relocated to Florida USA Wilder plied his vile and deadly trade on two continents and did so undetected for more than twenty years He was a chameleon and a predator with a modus operandi refined over the decades luring young teenage girls with the promise of a career as a photographic model His final flourish was a six week spree of abduction sexual assault and murder crisscrossing the USA and earning him the top spot on the FBI s Ten Most Wanted list Wilder could have been stopped a few times in his evil career but he wasn t In addition to his many crimes in the US he is now also a prime suspect for the infamous Wanda Beach murders one of Australia s most notorious unsolved crimes *The Snapshot Killer* explores how a monster was able to hide in plain sight and tells the tragic story of the many victims at least twelve but likely more whose lives Wilder destroyed with consequences that continue to resonate to this day **The American Humanities Index** Stephen H. Goode,1994 *Christopher Street* ,1992 *Directory of American Poetry Books* Poets House (Firm),1993 *International Who's Who in Poetry 2004* Europa Publications,2003 Provides up to date profiles on the careers of leading and emerging poets **Poets & Writers** ,1992 **The Duskouri Tales** Byrd Roberts,1999 Byrd Roberts has done it again Hot on the heels of his last book *Between Trash and Tramp* comes a collection of gothic short stories that takes you on a journey through a largely gay make believe land with unexpected and often bizarre twists Bravo for surprising delighting and horrifying me a jaded reader **Art and Sex in Greenwich Village** Felice Picano,2007-06-28 A decade after the Stonewall rebellions a small all gay press named Seahorse began along with Calamus Books and JH Press which all came together to form Gay Presses of New York Gay Presses of New York was not only the most successful gay press of its day but the founders had made their move at the right time and place Gay Presses of New York also played apart in the growth of what is now gay culture consisting of bookstores magazines newspapers theater

companies and art galleries Many aspects of the arts as they swirled around New York Los Angeles and San Francisco during the 1970s through 1991 were connected to Gay Presses of New York **Small Press Review** ,1994 The American Book Review ,1992 Forthcoming Books Rose Arny,1992 **Sex and the Single Camel** Phil Clendenen,1994 If you d like to feast on the streaming life of Morocco tongue stroked earlier by Burroughs Ginsburg and Bowles Sex and the Single Camel is for you The language is most original and the eroticism perpetual the quirky style evoking steamy peregrinations through Arabic sex bazaars is rich poetic and yes bizarre Robert Peters back cover
