

HIGHLY QUALIFIED PRAISE FOR

snobbery

"What Joseph Epstein calls snobbery, I should much prefer to call snobbishness, a necessary discrimination, the constant multiplicity of what he would, your 'ignorant beast, is over in a second. Still, Mr. Epstein is uncommon with a certain rough beauty (intelligence, which renders him a man of whom, I should say, not everything is lost)." — Henry James

— Henry James

"Indiscreetly delighted by paradox, of which the social world is still too much habit, Mr. Epstein is, I discover, capable every so often of making off a sentence that arrests the attention — arrests it, also, and the two eyes are a free to wonder. His no doubt Jewish caricature is part of his essentially critical subject in, it goes without saying, thoroughly to be displayed." — Owen Wilde

— Owen Wilde

"Mr. Epstein speaks me rather frequently in his handsy amusing little book, whether he understands me in of course another question entirely, but I have the spirit to admit upon him. I have never been to America, and cannot speak to the accuracy of his pronouncements about the particular of the social preoccupations in that foreign country. The book's framework, as it speak, seems to me sound as far as it goes, though I suppose to say this suggests that it ought to have gone a deal further than that, in those matters, what of us can be said to have gone far enough?" — Harold Pinter

— Harold Pinter

"The most serious of the past hundred years — myself not least among them — Joseph Epstein's essays are in the lower middle class, this class always eager to get a leg up, if only to be able to place an ill about how the rest of them below and a knee in the groin of those above." — Noel Coward

— Noel Coward
