knowing about Love Sex Male and Female Energy Polarity Conscious Relationships and Soulmates from the perspective of consciousness researcher and success coach Frederick Dodson      The Mingling of Souls Matt Chandler,2015-01-01 The Song of Solomon offers strikingly candid and timeless insights on romance dating marriage and sex We need it Because emotions rise and fall with a single glance touch kiss or word And we are inundated with songs movies and advice that contradicts God s design for love and intimacy Matt Chandler helps navigate these issues for both singles and marrieds by revealing the process Solomon himself followed Attraction Courtship Marriage even Arguing The Mingling of Souls will forever change how you view and approach love      **Love, Romance and Intimacy** Hutson Smelley,2016-05-09 Does God want us to enjoy romance and intimacy Is the Bible just full of prohibitions Does God want us to enjoy sexual pleasures Or is the Bible just full of prohibitions What does the Bible say the purpose of sex is Or does the Bible even address the issue of physical intimacy What is God s intent for the sex life of Christians while they are dating And after they are married Does it even matter The Song of Songs or Song of Solomon answers these questions and much more It is the most thorough treatment in the Bible of the issue of sexual pleasure within marriage The Bible teaches that God created marriage and sex and that physical intimacy within marriage is to be enjoyed Unfortunately the world reduces physical intimacy to nothing more significant than satisfying lusts Modern entertainment is a race to the bottom but the Song of Songs treats intimacy through Hebrew poetry The Song is erotic without being crass honest without being salacious and instead addresses the subject matter from a qualitative perspective conveying the emotions and experiences with imagery drawn largely from nature and primarily designed to show us the beauty of the lovers relationship and intimacy At the same time the book is wisdom literature arguing that sexual pleasures should be reserved for marriage More than that the Song cuts through modern caricatures of the ancient world presenting the material from a female perspective and painting a picture of her that is beautiful independent romantic spontaneous and strong      **Monogamous Sex in Heaven!** Marty A. Cauley,2016-10-10 At the same time in which the present author was reading books by Barrow Marrow and Peter Kreeft posing that sexual intimacy continues in Heaven he discovered that his wife had stage 3 breast cancer As a therapy to help him deal with this news he poured himself into research to see if Marrow and Kreeft might actually be correct thereby enabling him to believe that no matter what happened the best was yet to come This is the conclusion and comfort of this book In contradiction to those authors and groups who advocate polygamous and promiscuous sexual relations in Heaven the present author uses type archetype pattern and typology to argue for exclusivity and monogamy in the form of a heavenly soulmate who in many cases will be the spouse who was our earthly soulmate Monogamous sexual intimacy will continue in the eternal state for those resurrected believers who are found faithful by the Lord at the time of judgment A variety of arguments are used to defend this thesis Naturally the presence of sex organs in the eternal state suggests the function of that organ Since those in the eternal state will have sex organs as is conceded even by those not holding to the author s thesis the supposition should

be that those having these sex organs will use them NDE claims to the contrary concerning lack of genitalia during the intermediate state are evaluated Transcendentally just as other transcendental desires point to a future fulfillment our present sexual desires point to a future fulfillment also Exegetically Lk 20 35 36 is not limited to being like angels in terms of immortality but encompasses being like angels in terms of their sexuality The sexuality and sex drive of male angels is obvious in Gen 6 1 4 These heavenly angels had a strong sex drive before their fall indicating that even angels in Heaven have sexual desires and thus act in accordance with those desires Angelically we should deduce that angels are likewise male and female soulmates Ontologically our sexual gender is not limited to our physical bodies but includes our metaphysical being as well as is proven by astral sex Changing sexual form during astral sex or having sexual ambiguities during the physical state pose no problem for the affirmation of sexual gender projecting into the metaphysical state Hierarchically the cosmic sex ladder suggests increased sexual distinctiveness as one moves up the ladder Neuter forms at the bottom of the ladder are to be expected Intrinsically for man and woman to be created as a unity in the image of God means that this sexual duality and unity must continue in the eternal state if we are to continue in our status of God's image bearers Mithology the doctrine of rewards supports exclusivity and therefore monogamy in the form of a complementary consensual soulmate This soulmate is one's sole mate Sexual hierarchy agrees with mithological hierarchy Also mithologically speaking a king needs a queen Extrabiblical sources in the forms of dreams visions and NDEs are consulted and found to provide limited secondary confirmation for the thesis of this book Collaborating biblical sources include typological pairing of male and female overcomers pictured by Boaz and Ruth as confirmed by the Song of Solomon Oral sex within the Song of Solomon demonstrates that sex is intended for pleasure and not limited to reproduction thus supporting the case that sex could be intended for pleasure in Heaven without being tied to reproductive marriage
