The post Cold War world has seen the emergence of new kinds of security threats Whilst traditionally security threats were perceived of in terms of military threats against a state non traditional security threats are those that pose a threat to various internal competencies of the state and its identity both home and abroad The European Union and the United States have identified Latin American cocaine trafficking as a security threat but their policy responses to it have differed This book examines the ways in which the EU and the US have conceptualized this threat Furthermore it explores the impact of cocaine trafficking on four state functions economic political public order and diplomatic in order to explain why it has become securitized Appealing to a variety of university courses this book is especially relevant to security studies and European and US policy analysis as well as criminology and sociology **Assessment of Two Cost-Effectiveness Studies on Cocaine Control Policy** National Research Council,Division of Behavioral and Social Sciences and Education,Commission on Behavioral and Social Sciences and Education,Committee on Data and Research for Policy on Illegal Drugs,1999-05-05 This study is an important first step in the development of a national policy on illegal drugs It assesses two recent cost effectiveness studies on cocaine control policy one by RAND Controlling Cocaine Supply Versus Demand Programs and the other by the Institute of Defense Analyses An Empirical Examination of Counterdrug Interdiction Program Effectiveness
The ^AWorld Heroin Market Letizia Paoli,Victoria A. Greenfield,Peter Reuter,2009-04-10 This book is the first attempt to describe and analyze the world opiate market It looks at how the Taliban achieved a cutback in heroin production in Afghanistan a longtime goal of national and international drug policy agencies and how that cutback impacted the very robust global market for the drug Based on this and other country studies the authors show that internationally supported interventions on the supply side can open up limited opportunities for curbing consumption **An Industrial Geography of Cocaine** Christian M. Allen,2013-10-14 Latin American cocaine trafficking organizations comprise an indigenous globally competitive multinational industry Their business operations are deeply ingrained within the economic and political systems of countries throughout the region While criminal enterprises operate in a more complex and uncertain setting than licit firms their competitive success is determined in fundamentally similar ways Models developed by geographers to explain the spatial behavior of licit multinational firms are profitably applied here to the operations of drug trafficking operations
Can Production and Trafficking of Illicit Drugs be Reduced or Merely Shidted? , *Social Issues in America* James Ciment,2015-03-04 Truly comprehensive in scope and arranged in A Z format for quick access this eight volume set is a one source reference for anyone researching the historical and contemporary details of more than 170 major issues confronting American society Entries cover the full range of hotly contested social issues including economic scientific environmental criminal legal security health and media topics Each entry discusses the historical origins of the problem or debate past means used to deal with the issue the current controversy surrounding the issue from all perspectives and the

near term and future implications for society In addition each entry includes a chronology a bibliography and a directory of Internet resources for further research as well as primary documents and statistical tables highlighting the debates Cato Handbook for Congress Cato Institute,Edward H. Crane,David Boaz,2003 Offering policy recommendations supported by brief rationales this handbook offers the capitalist libertarian perspective on issues currently facing Congress Highlights include advice on campaign finance reform the USA PATRIOT Act the war on drugs monetary policy deregulation taxes education *Coca, Cocaine, and the Bolivian Reality* Madeline Barbara Léons,Harry Sanabria,1997-01-01 Examines the impact of coca and the cocaine trade on the Latin American country most affected by it Bolivia **Latin America and the Multinational Drug Trade** Elizabeth Joyce,Carlos Malamud,2016-07-27 In some Latin American countries traffickers equipped with vast resources have corrupted individuals in every aspect of public life compromising the integrity of entire national institutions the political system and the judiciary the military the police and banking and financial systems Moreover Latin America like Europe and the USA has a drug consumption problem Yet drug control in Latin America is beset with contradictions For some Latin Americans illicit drug production in the form of coca cultivation is a traditional way of life and has often been an economic bulwark against destitution Attempts to control the drug trade while absorbing vast resources have been largely ineffectual and have had dramatic and unintended consequences This book analyses the profound consequences that the illicit drug trade has for millions of Latin Americans and what they imply for domestic policy and for international cooperation Latin America and the Multinational Drug Trade is essential reading for students of Latin America politics international relations security studies foreign policy economic development criminology and law and for anyone interested in the politics and economics of the global illicit drug trade *Innocent Bystanders* Philip Keefer,Norman Loayza,2010-03-24 This book presents evidence that drug policies impose high costs on poor transit and producer countries It argues that in the face of great uncertainty about the benefits of alternative drug policies those with lower social costs should receive greater emphasis Why Our Drug Laws Have Failed James Gray,2010-08-05 A devastating indictment of the War on Drugs *Bad Neighbor Policy* Ted Galen Carpenter,2014-01-13 The domestic phase of Washington's war on drugs has received considerable criticism over the years from a variety of individuals Until recently however most critics have not stressed the damage that the international phase of the drug war has done to our Latin American neighbors That lack of attention has begun to change and Ted Carpenter chronicles our disenchantment with the hemispheric drug war Some prominent Latin American political leaders have finally dared to criticize Washington while at the same time the U S government seems determined to perpetuate if not intensify the antidrug crusade Spending on federal antidrug measures also continues to increase and the tactics employed by drug war bureaucracy both here and abroad bring the inflammatory drug war metaphor closer to reality Ending the prohibitionist system would produce numerous benefits for both Latin American societies and the United States In a book deriving from his work at the CATO Institute Ted Carpenter paints a

picture of this ongoing fiasco *Narcotics: A Global Challenge* , *The Sociology of American Drug Use* Charles E. Faupel, Gregory Weaver, Jay Corzine, 2014 Thoroughly revised and updated in its third edition *The Sociology of American Drug Use* presents a broader sociological perspective on drug use in American society than any other text The authors all sociologically trained criminologists include extensive coverage of various methods and statistics for measuring drug use a topic that is particularly relevant for sociology students The book opens with an examination of the construction of drug use as a social problem setting the stage for the rest of the text The first section addresses basic conceptual methodological and theoretical issues in the study of drug use while the second section analyzes its various social correlates demographic institutional health economic cultural and subcultural and violent and criminal The final section focuses on societal reaction to drug use with discussions of prohibition decriminalization and legalization policy options and drug treatment drug education and drug testing New to the Third Edition Increased material on legal drugs like salvia and an expanded discussion of the recreational use of prescription drugs including the misuse of such drugs as Adderall OxyContin and Vicodin among college students New and updated Drug Controversies boxes Updated information on the pharmaceutical industry and an expanded discussion of the drug approval process with a new flowchart More in depth discussion of cartels and the current drug violence along the U S Mexican border Greater emphasis on cross cultural issues and perspectives including new material on crime and the American dream drug trafficking to the U S and opium production in Afghanistan and the European roots of harm reduction An expanded discussion of the role of the media and more material on family as a social institution An updated and streamlined glossary and bibliography **Why Drug Wars Fail, Volume One** Glenn Robinette, 2012-02 A study of prohibitions why they fail how they begin what causes them who benefits the methods and results Drug wars are not only failures they are counterproductive and are associated with regime change They are motivated by political jealousy social disruption bad medicine economic greed and religious hysteria *Progressive Christians Speak* John B. Cobb, 2003-01-01 In this earnest discussion revolutionary theologian John Cobb Jr implores Christian churches to take a more active role in the solution of contemporary issues such as food security and the ever expanding world population the welfare system civil and human rights the war on drugs abortion immigration and the destruction of ecosystems **TERRORISM: Commentary on Security Documents Volume 105** Kristen Boon, Aziz Huq, Douglas Lovelace, 2010-02-25 Volume 105 *Narco Terrorism* explores the legal aspects of combatting narco terrorism domestically in the U S and through international endeavors in Colombia and Afghanistan This book serves as a one volume guide to the relationship between the drug trade and terrorism The volume s sections on Afghanistan and Colombia demonstrate the challenges faced by the international legal community in thwarting that relationship
