**Snowblind** Martin Wagner, 1995      *Snow Blind* P. J. Tracy, 2007-07-03 When the corpses of three police officers are discovered entombed in snowmen Grace MacBride and her team of crime busting computer jocks at the Monkeewrench firm are called in to assist What they discover is a terrifying link among the victims that reaches beyond the badge and crosses the line between hard justice and stone cold vengeance      **Snow Blind** Richard Blanchard, 2013-11-04 Snow Blind is a viciously funny novel with a moral It lifts the lid on male relationships and asks whether men ever truly grow up More importantly what impact is this having on the legacy we leave our kids Dan Greenhenge is sliding uncontrollably towards the dual dangers of a gaping ice blue crevasse and a marriage of convenience This 40 year old music obsessed copywriter is a lovely but hapless man his survival will be determined by whether he can finally take responsibility for himself Richard Blanchard's debut novel takes place over an extended stag ski weekend in Chamonix France below the peaks of Mont Blanc Dan is under pressure from every angle First his son Bepe is in a life threatening accident at Manchester Airport and then there is Robert an estranged college friend who disrespects everything Dan is who leads the stag party astray Dan's boss has heaped work on him to try to save their advertising agency But his biggest worry is the presence of Juliet the love of his lifetime ex girlfriend who has wrangled her way into the weekend an honorary stagette on a mission As the stags push Dan into increasingly embarrassing situations he can't refuse But when they take this novice skier to the Vallee Blanche some of the most challenging terrain in Europe have they pushed him too far      *Snow-Blind* Katharine Newlin Burt, 2022-08-01 In the enthralling novel Snow Blind Katharine Newlin Burt captures the essence of human resilience and the raw confrontation with the elements This classic narrative reprinted by DigiCat Publishing reveals a vivid portrayal of characters battling the relentless and indifferent force of nature where the white canvas of snow becomes a symbol for both isolation and revelation Burt's prose deftly intertwines realism and psychological depth embedding her work firmly within the American literary tradition while exploring the boundaries of individual identity and psychological endurance Published in a time where the literary scene was blossoming with new explorations of narrative form and human consciousness Snow Blind stays true to these themes offering a journey not just through the blizzard swept landscapes but through the stormy terrain of the human psyche Katharine Newlin Burt known for her potent depictions of the American West delivers in Snow Blind an affecting study in the human spirit Her background may offer insight into her incisive observations a life marked by the vast and rugged American terrain that resonates in her literary creations The care with which DigiCat Publishing has preserved and presented Burt's work signifies the enduring value of her contribution to literature allowing a new generation to experience the immediacy and emotion contained within her story Snow Blind is a novel that commends itself to readers in search of narratives that probe the complexities of place identity and survival The perceptive reader will be rewarded with Burt's rich descriptions and the nuanced layers of her characters experiences This work is not merely an artifact of its time it is a

timeless contemplation of the human condition as relevant today as when first penned In our digital age the reissuing of such a classic reaffirms its status as a riveting and instructive text perfect for those who cherish the classics and those who are encountering Burt's formidable storytelling for the first time      **Snow Blind** Cassie Miles,2014-09-01 An innocent woman witnesses a brutal murder and turns to a sexy deputy for protection in this romantic suspense novel by a USA Today bestselling author Anticipating a week of skiing and self indulgence at a luxurious Colorado condo Sasha Campbell gets more than she bargained for Some innocent spying one evening takes a sinister turn when she witnesses a woman's murder And unfortunately for Sasha she could be next in line Brady Ellis is the only thing standing between predator and prey The small county deputy knows protecting Sasha will be his greatest challenge And he's not taking any chances Moving her from the resort to his family's ranch Brady quickly finds himself drawn to Sasha in less than professional ways But the job has to come first especially when they wind up face to face with the killer      Snow Blind Ollie Masters,2017-01-18 What happens when you discover your dad isn't the man you thought he was For high school teen Teddy life in a sleepy suburb in Alaska turns upside down when he innocently posts a photo of his dad on Facebook only to learn he and his family are in the Witness Protection Program A man seeking revenge invades their town and soon FBI agents arrive too But what if his dad's reasons for going into the program aren't as innocent as he says      *Snow Blind #1* Ollie Masters,2015-12-09 What happens when you discover your dad isn't the man you thought he was For high school teen Teddy life in a sleepy suburb in Alaska turns upside down when he innocently posts a photo of his dad on Facebook only to learn he and his family are in the Witness Protection Program A man seeking revenge invades their town and soon FBI agents arrive too But what if his dad's reasons for going into the program aren't as innocent as he says      *Snow Blind #2* Ollie Masters,2016-01-13 Teddy goes on the hunt around town trying to track down the man who is after his family      **Snow Blind** Roz Marshall,2015-02-01 He's found the love of his life She thinks he's joking Callum Johnstone discovered early on that when you're challenged in the height department humour is the easiest way to deflect unwanted attention Working for White Cairns Ski School in Scotland he's found the love of his life but she has him placed firmly in the friend zone and it's easier to make her laugh than risk telling her how he really feels Debbie McNeill knows that if she can just pass her instructor exams and lose a few extra pounds of weight she's bound to meet her tall dark and handsome Mr Right just like in the romance novels she loves to read But so far life hasn't emulated fiction and her love life has been a non starter When a competition gives Callum the chance to shine he's torn He has to decide whether to run away and mend his aching heart or stay and give love one final chance *Snow Blind* is the fourth novella from the *Secrets in the Snow* series about a Scottish snowsports school Whilst this is a stand alone book with a romance arc and a HFN you might enjoy reading the series from the first episode *Fear of Falling* Please note British English spelling and grammar Keywords Uplifting feel good book club fiction clean sweet romance series YA action adventure Scottish ski holiday snowsports friends to lovers workplace Women's Fiction saga friendship small town secrets
