

SNOWBORNE
~ The Siberian
Chronicles of
Henry Schulz

Snowborne The Siberian Chronicles Of Henry Schulz

J Elliott

Snowborne The Siberian Chronicles Of Henry Schulz:

Snowborne, the Siberian Chronicles of Henry Schulz Henry Schulz, 1982 A novelized history of one man's family from hardships and fortunes in Czarist Russia through the throes of the Bolshevik Revolution and on to a new life in Canada. The author fifth in his line has chronicled the oral tales of his predecessors and his own experiences as a young Mennonite boy in Siberia.

Beyond the Nation? Alexander Freund, 2012-10-30 Beyond the Nation explores the lives of German Canadian immigrants between the eighteenth and twentieth centuries from the Moravian missionaries who came to Labrador in the 1770s to the German refugees who arrived in Canada after the Second World War. Internationally renowned historians of migration including Dirk Hoerder and the late Christiane Harzig detail these German Canadians' experiences of immigration by investigating their imagined communities and collective memories. Beyond the Nation outlines how German Canadians invented ethnicity under Canadian expectations and provides moving case studies of how notable immigrant groups integrated into Canadian society. Other topics explored include literary constructions of German Canadian identity, analyses of language use among these immigrants and aspects of their lives that can be interpreted as transcultural and gendered. Transcending the master narrative of immigration as nation building, Beyond the Nation charts a new course for immigration studies.
