Easy Target David Grace, 2009-09-17 After twenty five years on the job NYPD Lieutenant Greg Webster retired to a small Kansas college to teach classes in Criminal Justice Webster looked forward to the move as a well deserved rest for himself and his social worker wife Carolyn Unfortunately before even a year had passed Carolyn was dead killed in an apparent hit and run accident Though dazed and heartbroken Greg suspected nothing sinister about her death until as a class project one of Webster's students began researching local violent deaths and Carolyn's accident began to look more and more like the latest in a series of murders But why would a successful serial killer tempt fate by targeting the wife of a retired police officer Maybe because it was all becoming too easy for him too many easy targets Now the murderer wanted more of a challenge an opponent tougher than the local campus cops But in taking on Greg Webster the Watcher has made a serious mistake He should have heeded the old warning Be careful what you wish for *Backwoods Girl* Ruth Risetter Watson, 2008 Ruth climbed up the running board and scooted down the front seat of the new Tin Lizzie Her father said to not be afraid when he cranked up the motor Do be careful said Mama You know many men have broken their arms or sprained their wrists cranking I'll be careful Just sit tight and don't scream or jump out Ruth was on her way to live in the mountains of East Tennessee As she grew up on a farm in the shelter of Walden's Ridge she encountered dangers as diverse as harrows and hornets screaming locomotives and car thieves She drew water from a well and bathed in a washtub She marveled at the majesty of the Harvey Hannah mansion and the variety of goods for sale in Sienknechts General Store She found that helping somebody else was also like planting sharing love or encouragement could grow as joy seeds in somebody's heart This book pictures mountain life of 1927 1930 simple yet often painful There were no conveniences such as electricity running water telephones or good roads Horses were still used for work and transportation but Fords were fast replacing them
