The Story of a Donkey Sophie comtesse de Ségur, 2017 This is the story of Neddy the donkey narrated from his point of view His adventures are interesting and amusing and as there has been nothing quite like them originally written in English The book contains 1 color image and 25 pen and ink illustrations During the story he wants his master to know better what sort of animals donkeys really are and so he writes the story of his life He points out that donkeys have been and still are often badly treated by human beings Even so he claims donkeys more often than not have good temperaments but confesses that in his youth he sometimes behaved very badly and was punished for it This made him unhappy but in the end he repented and how in the end his repentance changed him and gained for him the forgiveness of his friends and masters He finishes So when you have read my history you won't say any more as stupid as a donkey or as obstinate as a donkey but as sensible as a donkey as clever as a donkey or as gentle as a donkey He then leaves a message for all children Hee haw dear little children hee haw I hope you will never be as I was when I was young **The Ox and the Donkey** Günter Spang, 2001
The relationship between a selfish ox and a gentle donkey that share a stable in Bethlehem changes after they witness the birth of Jesus The Little Donkey Gerda Marie Scheidl, 1945-07 A humble donkey hears of the new King's birth and journeys to Bethlehem Along the way he struggles through brambles is sneered at by a camel disdained by a lion and laughed at by the other animals The little donkey feels so worthless that he begins to stumble until a great light guides him to his destination where the baby reaches out his hand This story stresses that Jesus welcomes even the most lowly and Watts watercolors overlaid with crayon like texture are appealing and rustic School Library Journal
