

A romantic couple is shown in a close embrace, kissing on a rooftop. The man, wearing a black leather jacket and glasses, is looking up at the woman. The woman, with long blonde hair, is wearing a vibrant red dress and is leaning over a brick wall. The background features a blurred view of a city street with buildings and a cobblestone path.

So In Love:

A Love So True Caroline Mickelson, 2020-07-25 London 1940 As German bombs rain down upon the city of London Emma Bradley hastily packs a suitcase cradles her newborn son in her arms and boards a train with two evacuee children she s agreed to chaperone in exchange for a job in the south of England Although she s only one of thousands leaving the city Emma is fleeing more than the horrors of war Her greatest fear is that the father of her child will track her down and exact revenge for what she s stolen from him World renowned Dutch concert pianist Andrej Van der Hoosen is a man who cherishes his privacy above all else His wealth and privilege have afforded him the luxury of avoiding being around children because of a painful loss from his own past So when he meets the woman and children he ll reside with for the duration of the war he s instantly on guard The children are boisterous and full of life the cottage they re assigned to live in is small and he finds himself intrigued by the secret Emma is so clearly trying to hide Despite their reluctance to trust each other Emma and Andrej soon find themselves drawn together in a world torn apart by war

A Love So Dark Chasity Bowlin, 2016-09-24 Having no fortune a negligible reputation and an appearance that could only be described as plain Miss Olympia Daventry has few prospects Unless of course she elects to remain in her aunt s home dodging her uncle s amorous advances and his sermons both of which are dished out in equal measure Out of desperation she accepts an offer of marriage from a man she has never met Married by proxy she travels to his home and at her first sight of it begins to wonder if perhaps she has not made a terrible mistake Dark ominous foreboding that description fits both Darkwood Hall and her new husband Lord Albus Griffin Viscount Darke Griffin had vowed never to marry but the terms of his meddling aunt s will have left him no other option if he intends to preserve Darkwood Hall and the secrets it holds But he d instructed his solicitor to secure a wife for him that would never tempt him to consummate their union And yet Olympia tempts him at every turn She incites in him such lust and desire such possessiveness that he fears the madness that threatens all the men of his line has finally claimed him But there are other dangers lurking within the walls of Darkwood Hall secrets and plots enemies that will stop at nothing to destroy them Tempted torn and tormented by wanting what he should not let himself have Griffin is lost but for once he is not alone

Perfect Love, Imperfect Relationships John Welwood, 2005-12-27 A nationally known couples therapist reveals the single root cause of all relationship problems and offers revolutionary advice on what to do about it While most of us have moments of loving freely and openly it is often hard to sustain this where it matters most in our intimate relationships If love is so great and powerful why are human relationships so challenging and difficult If love is the source of happiness and joy why is it so hard to open to it fully and let it govern our lives In this book John Welwood addresses these questions and shows us how to overcome the most fundamental obstacle that keeps us from experiencing love s full flowering in our lives Perfect Love Imperfect Relationships begins by showing how all our relational problems arise out of a universal wound of the heart that affects not only our personal relationships but the quality of life in our world as a whole This core wound shows up as a

pervasive mood of unlove a deep sense that we are not intrinsically lovable just as we are It shuts down our capacity to trust so that even though we may hunger for love we have difficulty opening to it and letting it circulate freely through us This book takes the reader on a powerful journey of healing and transformation that involves learning to embrace these imperfections within ourselves and within our relationships as trail markers along the path to great love It sets forth a process for releasing deep seated grievances we hold against others for not loving us better and against ourselves for not being better loved And it shows how our longing to be loved can magnetize the great love that will free us from looking to others to find ourselves Written with penetrating realism and a fresh lyrical style that honors the subtlety and richness of our relationship to love itself this revolutionary book offers profound and practical guidance for healing our lives as well as our embattled world

...So, Goodnight Dear and I Do Love You Diana M. Smith, 2012-05-24 I never met my great uncle I really only knew his name His story begins for me with a box of letters and mementos saved by my great aunt I always knew the box existed but I had never opened it My mother would often say Oh those letters are from Lowell during the war They are so sad Well who would want to read anything that was sad So the story of Lowell Read and the true love that he had for my great aunt stayed packed away in a box for 65 years My father and I came across the box during a spring cleaning frenzy and decided that it was time to read the letters and put them in some type of notebook to preserve them Little did I know that I was about to become involved in the story of Lowell Sue Reads life and unwavering love for each other As I read each letter and placed them in order I grew to know and admire both Lowell and Sue There were other items in the box besides the letters These items included a small Bible a set of dog tags a service medal a shell bracelet a small notebook and numerous other articles The letters shed light on all these other items and I realized that my great aunt had saved everything because of the special meaning that they held Lowell ended almost every letter with the words So goodnight Dear and I do love you I created this compilation to honor a man I never met and to preserve the memory of a love that never ended I hope you enjoy reading his letters and getting to know him as much as I did

How we may be Universally and Exactly Conscientious. An extract from a sermon, etc Samuel ANNESLEY (LL.D., Minister of St. Giles', Cripplegate.), 1767 Why Does Love Hurt so Good? Ondray Pearson, 2019-10-30 Why Does Love Hurt So Good It s hard to explain why we stay with someone who isn t treating or loving them the way they should Staying some would say is foolish unhealthy and not normal and they re right but for you to understand the why you must experience loving someone first hand because until you do you have no idea the power that love has over many of us Within these stories you will read and experience what people will do to have someone love them Sex lies deception betrayal abuse and infidelity were just a few of the traits used to obtain what they thought would make them happy in their relationship As you read you will at some point have to rethink what you thought you knew about love because contrary to what many think and believe not all love is good love that we receive from those we love Readers are talking Avis Parter from Fayetteville North Carolina says It truly touched my soul I saw myself in it I loved it I
