This book based on the second German edition of 1860 is the most influential and best known of Baur's many groundbreaking publications in New Testament early Christianity church history and historical theology. It is divided into six main parts and discusses such matters as the entrance of Christianity into world history, the teaching and person of Jesus, the tension between Jewish Christian and Gentile Christian Pauline interpretations and their resolution in the idea of the Catholic Church, the opposition of gnosticism and Montanism to Catholicism, the development of dogma or doctrine in the first three centuries, Christianity's relation to the pagan world and the Roman state, and Christianity as a moral and religious principle.

Sims, 2024-05-23 This is the story of Da Nik, a mage of dark skin who was banished for healing and having a relationship with a human female. Once banished and hunted, they had to separate for nearly a decade. Da Nik then stumbles upon a human city and dwells outside of its walls. One day Da Nik meets a young boy named Kaiden and defends him from some harsh bullies, only to find out later on that the boy is the offspring of his forbidden relationship. Da Nik then reunites with the boy and his mother to find a new life as a family. Then things go wrong. They are ambushed by a new enemy and the mother is injured and left behind as the draining antimagic arrow used is impossible for Da Nik to remove. Follow Da Nik and Kaiden through a quest of many lands and many characters as they search for a new life and what new destinies might await. Defeating an unknown enemy, finding the mother, and mastering their own abilities are just a few trials that await these two on their adventure.
