Strategies for Work With Involuntary Clients Ronald H. Rooney, 2009-01-28 Involuntary clients are required to see a professional such as juveniles on probation or are pressured to seek help such as alcoholics threatened with the desertion of a spouse For close to two decades Strategies for Work with Involuntary Clients has led in its honest analysis of the involuntary transaction suggesting the kind of effective legal and ethical intervention that can lead to more cooperative encounters successful contracts and less burnout on both sides of the treatment relationship For this second edition Ronald H Rooney has invited experts to address recent theories and provide new information on the best practices for specific populations and settings He also adds practical examples and questions to each chapter to better facilitate the involvement of students and readers plus a section on motivational interviewing

Stop Smiling, Start Kvetching Barbara S. Held, Barbara Held, 2001-09-04 Are you sick of being told Smile look on the bright side Do you feel guilty when you admit you re having a bad day If you answered yes to any of these questions you are a victim of the don t worry be happy mentality that is pervading America Dr Held convinced that having to smile through life s problems only adds insult to injury is here to tell you that you have the right the need to kvetch As she walks you through the five steps of creative kvetching Dr Held will show you that the right kind of complaining can help you to feel better and attract others to you instead of driving them away So get ready to take off your smiley face and be liberated from the tyranny of the positive attitude
