Clark,2008 Rental property investing is a perfect part time business because real estate is a business where assets appreciate and cash flow is generated even when you are absent This book covers property selection and inspection tenant selection marketing and advertising credit verification and much more Everything You Need to Know (But Forget to Ask) When Buying or Selling Property Mary Smits,2012-01-27 When it comes to buying and selling real estate knowledge is power and this book lets you in on the secrets Everything You Need to Know But Forget to Ask When Buying or Selling Property is a concise authoritative guide In plain simple language real estate agent Mary Smits looks at the many issues that confront both buyers and sellers including choosing a home or investment property wisely negotiating to save money understanding the paperwork dealing with and choosing real estate agents preparing to sell your property moving home Mary explains how to search for property on the internet and provides tips to help you use buying and selling tactics to your advantage and avoid potential traps The book features useful check lists to take with you to inspections along with sound practical advice **The National Real Estate Journal** ,1924 Financial Freedom Grant Sabatier,2020-04-07 The International Bestseller New York Public Library s Top 10 Think Thrifty Reads of 2023 This book blew my mind More importantly it made financial independence seem achievable I read Financial Freedom three times cover to cover Lifehacker Money is unlimited Time is not Become financially independent as fast as possible In 2010 24 year old Grant Sabatier woke up to find he had 2 26 in his bank account Five years later he had a net worth of over 1 25 million and CNBC began calling him the Millennial Millionaire By age 30 he had reached financial independence Along the way he uncovered that most of the accepted wisdom about money work and retirement is either incorrect incomplete or so old school it s obsolete Financial Freedom is a step by step path to make more money in less time so you have more time for the things you love It challenges the accepted narrative of spending decades working a traditional 9 to 5 job pinching pennies and finally earning the right to retirement at age 65 and instead offers readers an alternative forget everything you ve ever learned about money so that you can actually live the life you want Sabatier offers surprising counter intuitive advice on topics such as how to Create profitable side hustles that you can turn into passive income streams or full time businesses Save money without giving up what makes you happy Negotiate more out of your employer than you thought possible Travel the world for less Live for free or better yet make money on your living situation Create a simple money making portfolio that only needs minor adjustments Think creatively there are so many ways to make money but we don t see them But most importantly Sabatier highlights that while one s ability to make money is limitless one s time is not There s also a limit to how much you can save but not to how much money you can make No one

should spend precious years working at a job they dislike or worrying about how to make ends meet Perhaps the biggest surprise You need less money to retire at age 30 than you do at age 65 Financial Freedom is not merely a laundry list of advice to follow to get rich quick it s a practical roadmap to living life on one s own terms as soon as possible *Getting Started in Real Estate Day Trading* Larry Goins,2009-03-23 Real estate day trading is using the Internet to buy and sell houses without leaving home In many cases the investor closes on a house and resells it the same day Readers will learn the author s system for how to buy and sell 5 10 houses a month in today s market using the Internet phone fax and email to analyze research and find the properties buyers and others needed for the transaction Author Larry Goins has personally done deals in nine different states and has students in the US Canada Australia New Zealand Japan China Israel the Philippines and Denmark Day trading can be used for wholesaling properties to other investors retailing lease options short sales foreclosure investing etc The basic steps are Search online for potential properties to make offers on using specific techniques for finding the right ones Once an offer is accepted usually within 1 2 weeks put it on paper using clauses included in the book and get the property inspected by a rehab contractor to get a free estimate of how much the repairs will cost This is done by finding reputable contractors online and through referrals from realtors and through autoresponders Order an appraisal Sell it fast Using the buyers list you have built on the internet through email marketing groups social networking sites blogs free classified sites bank owned property sites and more send an email with the details of the property and instructions on how they can get the property under contract Usually within two hours several potential buyers will reply Set up a closing to buy it and to sell it on the same day closings are about 30 minutes apart By it at 10 00 and sell it at 10 30 for example There are many ways to fund and close on the property The book will contain step by step easy processes for assignments options flex options simultaneous closings using hard money private money cash partners and credit partners none of which will require an investor s own cash or credit With praise from New York Times Bestselling Author Dr Albert Lowery Robert Shemin Frank McKinney and foreword by Michael E Gerber Larry Goins Lake Wylie SC www.larrygoins.com is one of the real estate industry s most popular speakers He buys and sells 5 15 houses a month all over the US in today s difficult market from the comfort of his office Larry speaks live an average of twice a week and holds two to three teleconferences a week He is licensed as a mortgage lender mortgage broker real estate broker and general contractor in North and South Carolina Larry served as President 2003 2004 of the Metrolina Real Estate Investors Association in Charlotte NC a not for profit organization that has over 350 members it is also the local chapter of the National Real Estate Investors Association He has been investing in real estate for over 20 years [Replacing the Federal Income Tax](#) United States.
