Daniel Defoe

So Sure Of Life:

Home Life; a Journal Elizabeth Missing Sewell, 1867 *Sure and Certain Methods of attaining a Long and Healthful Life. With a portrait* Luigi CORNARO (Author of the "Discorsi della vita sobria."), 1830 *The Little Ball O' Fire; or, the Life and ures of John Marston Hall* G. P. R. James, 2016-09-10 My father was a gentleman of small estate in Lincolnshire whose family possessions under a race of generous ancestors had dwindled from splendid lordships to bare competence His blood which was derived from as noble a source as that of any in the land had come down to him pure through a number of knights and nobles who though they were little scrupulous as to the means of spending their riches were very careful not to augment them by cultivating any but the somewhat barren field of war He made a love match with a daughter of the second Lord Wilmerton and in order that his wife might not draw unpleasant comparisons between the station of her husband and that of her father he frequented the court and lived beyond his means He was already in difficulties when I was born but like a brave man he resolved to meet them boldly and after some solicitation obtained a small military appointment which increased his revenue without adding to his expenses Loyalty with him was a passion which like love in other men prevented him from seeing any faults in its object and of course as the court well knew that no benefits could make him more loyal than he already was it showered its favours upon persons whose affection was to be gained leaving him to struggle on without further notice The Panorama of Life and Literature , 1855 A Serious Call to a Devout and Holy Life: Adapted to the State and Condition of All Orders of Christians William Law, 2025-08-04 Reprint of the original first published in 1838 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *My So-Called Life as a Proverbs 31 Wife* Sara Horn, 2011-09-01 Author Sara Horn always admired the Proverbs 31 wife but when she became a busy writer and mother she deemed this model to be dated and impossible Or is it Join Sara as she heads into a one year domestic experiment and offers full access to see if this biblical model can be embraced by a modern woman even one who can't sew With humility and humor Sara sets out to pursue the Proverbs 31 characteristics through immersing herself in all things domestic but when her family's situation changes and she must return to a full time job she's forced to look at the Proverbs 31 woman with a whole new viewpoint Through it all she and readers discover what it means to be a godly woman and a wife how investing in family and faith refines priorities as a spouse and a parent how mistakes are opportunities for growth This thought provoking surprising and entertaining personal account will inspire women to try their own experiments in living out God's purpose for their lives The Life and Adventures of Robinson Crusoe Daniel Defoe, 1853 **Life** John Ames Mitchell, 1928

A Serious Call to a Devout and Holy Life ... William Law (Author of A Serious Call.),1853 Man's Imitation of Life and Desire David J. Poplstein,2012-04-16 The book you are holding in your hands is Part Two of my poetry It revolves around real life events and people I know and love It is also about those I have met and friends I have found along the way Some poems are about domestic abuse Christianity and God some are about love hurt and pain romance I hope you enjoy these poems I have written and that you can relate to what I am saying through them All for the love of Poetry Best wishes David J I am including a very deep poem here It it called A Woman of Strength I need to tell you a story about a woman I know Listen closely to this story as I let it flow Alone in her room in the dark as the tears fall Thinking about her life and how she gave it her all Her mind has been so abused along with her face With the black and blue marks her swollen eyes leaving only a trace The hurt and pain from his hand leaving the scars within The tears fall from her eyes leaving her with nothing How she tries to smile but the pain gets in the way So many times Ive tried to tell her not to stay But she stayed anyway thinking everything would be fine Knowing hed be home soon as she walked that thin line Finally he came home and again she started to shake So scared as you thought how much more can you take He raised his hand to you once again as you hid with fear Wishing so hard it would all stop including the tears Once again alone in your room with your head in your hands As the blood dripped down your face right where you stand This time it went too far as you fell to the floor As you stood up looking at him face to face You told him to go to hell walking out and forever closing the door A serious call to a devout and holy life. with an intr. essay by D. Young William Law,1853
