Broadcasting Rights for Cricket Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee,2006-02 Public interest in the recent Ashes test series served to heighten the anger about the removal of Test cricket from free to air television This report looks at the contract between the ECB and Sky the statutory framework behind the listing of sporting events the reasons for excluding test cricket from the A list and the gentleman s agreement that had existed that a substantial proportion of Test cricket would be maintained on free to air channels Although the Committee supports the idea of free to air broadcasting they do not recommend re listing in Group A They recognise that the ECB is best qualified to judge the long term interests of the game but that they must also balance the public interest

Six Machine Chris Gayle,2016-06-02 If the ball s there hit it Don t worry about what might happen Play for the glory Play for the six Chris Gayle is the only man to have ever hit a six off the first ball of a Test match But then producing the impossible is an everyday act for the West Indies legend the first man to smash an international T20 century the first to hit a World Cup 200 the fastest century in the history of the game He has hit twice as many T20 sixes as any other man and scored two Test triple centuries All this is delivered with cricket s biggest bat and an

even bigger smile Off the pitch millions follow him on Instagram and Twitter to catch a glimpse of a globe trotting life spent in nightclubs as much as nets hot tubs as often as helmets and pads He plays late parties later demolishes a king size pile of pancakes and then strolls out to mangle another hapless bowling attack But do we really know him Do we know what took a shy skinny kid from a cramped tin roofed shack in the dusty back streets of Kingston sharing a bed with three brothers and stealing empty bottles to buy food to the very top of the cricket world without losing himself along the way Outrageous and utterly original this unputdownable memoir will leave you reeling Welcome to the world of the Six Machine

Monty's Turn Monty Panesar, 2012-03-01 It's hard to believe MONTY PANESAR only arrived on the international cricketing scene in March 2006 His electric performances against India and in the Ashes series saw him catapulted to hero status in a matter of months and widely rated as England's best spin bowler for 30 years In MONTY S TURN Panesar takes a look at his extraordinary rise to stardom Taught spin bowling by a friend of his father Hitu Naik his first experience of league cricket was with the Luton Town and Indians CC His raw talent and utter dedication to his craft as a bowler soon saw him signed to Northamptonshire before he had completed his degree at Loughborough Since his call up to the England senior

squad Panesar's life has been a whirlwind of headlines and hero worship. The national outcry that met his exclusion from the first two Ashes Tests placed the weight of a despondent England's expectations on his comparatively inexperienced shoulders, but Panesar responded to the pressure with a scorching performance. Famously the first Sikh to represent a nation other than India in Test cricket, Monty credits his religion for his discipline in the nets, and it is this dedication along with his scintillating talent and unique celebration style that have made him a national treasure. He has declared his ambition to be the best, and it would seem that now it truly is time for MONTY'S TURN.
