Medicare Catastrophic Coverage Act United States. Congress. House. Select Committee on Aging. Subcommittee on Retirement Income and Employment,1989 *Shining the Light VII* Robert Shapiro,2005-11-11 Now many of you have been reading this series of Shining the Light books for some time and so you are reasonably well informed about the circumstances in the U S and in the world regarding who is doing what to whom at least in an overall sense without naming names too much We really cannot do this because the way to resolve these matters is not to point the finger of blame so much as to encourage you the reader to bring about resolution by involving yourself in spiritual capabilities to influence events in your world in the most benevolent way That s why we ve shifted off the format of the first six Shining the Light books Let me elaborate Those who are personally affected by the events that are occurring nowadays must not only be desirous of changing those events but must be personally and directly involved in bringing about a change in those events of the day in a way that deals directly with the impossible as an accepted fact It s not just That s impossible we can t do anything about it but That s impossible and we can do something about it The objective is to move through not jump over but move through the impossible to solutions that have no logical means to explain them In other words the solution is located directly in the continuity of your immortal personalities This means that all souls can agree on the continuity and the benevolence and the value of the continuity and benevolence of life That s how benevolent magic exists universally and beyond this universe It doesn t make any difference what the problem is it can be solved as long as everyone benefits That s all That s where you get universal cooperation So in order to bring that about there need to be solutions that do not ignore the problems but which also do not use the old methods of attempting to fix the problems if those methods were used to create those problems in the first place
