Soccer World Champions Jim Cassell, 2016-05-23 The growth of soccer in America is exponential But this is not simply a soccer manual It is a book about America's pride and its position in the world How can America put a man on the moon almost fifty years ago and not yet win the men's soccer World Cup That's the blunt question from Jim Cassell

Football Development Consultant and former Academy Manager Manchester City Football Club I am so glad that Jim Cassell or Cass as he is often called has decided to commit some of his philosophy to print Aspects of the book have much to offer such as advice for parents which is so apt as are the comments on coaches which from my own experience at both club and international level I wholeheartedly endorse Joe Royle former England international and Premier League Manager with Everton Manchester City and Oldham Athletic Jim s book has so many aspects advice from the master lessons to learn and interesting facts and advice for football development in the States With such significant counsel how can it not be that the United States will not become the World Cup holders in the future Des Coffey Lead Education Ombudsman for the Premier League Throughout the book there are valuable lessons which are there for football development based on the successful experiences which Jim has had over so many years Paul Power former Captain of Manchester City Football Club The fact that so many young professionals have emerged from the Manchester City F C Academy is mainly courtesy of Jim Cassell s professionalism consistency and abilities Hanspeter Rothmund CEO of Football is More Football Foundation Too many people patronise soccer in America Not Jim This book is a genuine honest guide to becoming Soccer World Champions in 2026 which incidentally marks the 250th anniversary of the Declaration of Independence It s a must read book for everyone involved with soccer in America coaches players of every age and for every parent with a soccer youngster in the house Joe Cummings CEO National Coaches Association of America NSCAA 2009 2015

Team,2014-11-01 Phuket Lifestyle Living **Teaching Exercise to Children** Morc Coulson,2013-08-30 Teaching Exercise to Children is for all those individuals who prescribe exercise programmes to children of ages 10 16 in schools gyms and after school clubs The only book on the market to combine both current theoretical and practical aspects its content is linked to the Health and Fitness National Occupational Standards and the Qualifications Framework requirements for Teaching Exercise and Fitness for Children The author backs up the theory with multi skills session plans which are graded by age and illustrated with photos and clear illustrations With sections on child development and the legal issues involved in coaching children this book is the bible for all those studying or already teaching exercise to young people

Talent Identification and Development in Youth Soccer Adam Kelly,2023-09-11 Talent development pathways in youth soccer provide opportunities for young players to realise their potential Such programmes have become increasingly popular throughout governing bodies professional clubs and independent organisations This has coincided with a rapid rise in sport science literature focused specifically on optimising player development towards expertise However the decreasing age of recruitment biases in selection inconsistencies in the language used underrepresented populations and large dropout rates from pathways have magnified the potential flaws of existing organisational structures and settings Moreover despite both

the professionalisation of talent development pathways and growing research attention we still know little about the characteristics that facilitate accurate recruitment strategies into pathways and long term development outcomes Talent Identification and Development in Youth Soccer provides an all encompassing guide for both researchers and practitioners by gathering the existing literature to help better understand the current context of this discipline Chapters are contributed by a team of leading and emerging international experts examining topics such as technical tactical physical psychological social activities and trajectories career transitions relative age effects creativity and genetics with each chapter offering important considerations for both researchers and practitioners With a dual emphasis on both theory and practice this book is an important text for any student researcher coach or practitioner with an interest in talent identification talent development youth soccer soccer coaching or expertise and skill acquisition
