**The Handbook of Community Practice** Marie Weil, Michael Reisch, 2005 Encompassing community development organizing planning and social change as well as globalisation this book is grounded in participatory and empowerment practice The 36 chapters assess practice theory and research methods **Foundations of Social Work Practice in the Field of Aging** Roberta Rubin Greene, 2007 The aging of societies is a global phenomenon In the United States alone the life expectancy for both men and women will continue to increase over the next few decades and with that a population explosion of older adults The dramatic increase in the number and diversity of older adults elevates the visibility of gerontological matters As a result social work practice is becoming more multigenerational thereby demanding social workers regardless of their professional endeavors to be equipped with the most innovative theories and practices to serve older adults and their families This comprehensive text spans the new knowledge and skills required in direct practice areas group work and macro practice It also outlines the Geriatric Social Work Competencies as developed by social work educators necessary to serve the older adult population and suggests how these competencies can be integrated into foundation curriculum Social work educators students practitioners administrators and policymakers will find updated useful information in this text regarding assessment tools cultural influences evidence based practices intervention techniques theoretical examples Individuals are living longer and healthier lives in part because of the extraordinary growth of biomedical knowledge and public health initiatives The confluence of the rapid and large increase of the older population and the exponential increase in the dissemination of knowledge create an imperative for social workers to employ the most recent knowledge in their practice with people living increasingly long lives JoAnn Damron Rodriguez Department of Social Welfare University of California Los Angeles *Cases in Macro Social Work Practice* David P. Fauri, Stephen P. Wernet, F. Ellen Netting, 2000 Each chapter presents theoretical and practice perspectives plus scholarly references that support the exploration of a typical exemplar case Following the case are discussion questions for further examination about the situation presented Some situations are The Interim Director Leadership and Administrative Style organization practice The Reverend and Me Faith Communities and Public Welfare community practice and Carol's Value Dilemmas Implementing Public Services for Disabled Elders policy practice *American Rehabilitation*, 1986 **Public Welfare**, 1992 **Child Welfare Revisited** Joyce Everett, Sandra Stukes Chipungu, Bogart R. Leashore, 2004 Why are there proportionally more African American children in foster care than white children Why are white children often readily adoptable while African American children are difficult to place Are these imbalances an indication of institutional racism or merely a coincidence In this revised and expanded edition of the classic volume Child Welfare twenty one educators call attention to racial disparities in the child welfare system by demonstrating how practices that are successful for white children are often not similarly successful for African American children Moreover contributors insist that policymakers and care providers look at African American family life and child development

from a culturally based Africentric perspective Such a perspective the book argues can serve as a catalyst for creativity and innovation in the formulation of policies and practices aimed at improving the welfare of African American children Child Welfare Revisited offers new chapters on the role of institutional racism and economics on child welfare the effects of substance abuse homelessness HIV AIDS and domestic violence and the internal strengths and challenges that are typical of African American families Bringing together timely new developments and information this book will continue to be essential reading for all child welfare policymakers and practitioners **Bibliographic Index** ,1992 *The Social Services* H. Wayne Johnson,1998 This is a text for the first social work course covering social welfare as an institution and social work as a profession The four parts of the book cover background social problems and social services methods of social work practice and special groups issues and trends The text balances historical material current issues and future considerations It covers the effect of technology privatization case management managed care trends in health care and newer social work roles such as advocacy empowerment more uses of groups and the generalist social worker Among the social problems and issues considered are poverty welfare reform disabilities substance abuse crime AIDS and HIV compulsive gambling and shopping displaced persons spirituality and burnout **Building the Undergraduate Social Work Library** Grafton H. Hull (Jr.),1993 **Analyzing Social Policy** Mary Katherine O'Connor,F. Ellen Netting,2011-02-02 From formulation to implementation an approach to the analysis of social policy through the lens of research Analyzing Social Policy prepares professionals and students to make better informed decisions related to identifying and understanding the intricacies and potential impact of social policymaking and enactment on their organization as well as their individual responsibilities goals and objectives Authors Mary Katherine O Connor and F Ellen Netting thoroughly examine various approaches to the analysis of social policies and how these approaches provide the knowledge multiple perspectives and other resources to understand and grasp the nuances of social policy in all its complexity Comprehensive and based on research Analyzing Social Policy explores An overview of the practice of social policy analysis The role of research in guiding policy analysis The idea of policy analyses as research Themes assumptions and major theories that undergird rational models of policy analysis Nonrational themes assumptions and major theories informing nontraditional interpretive and critical approaches to policy analysis Strategies for applying selected models and approaches when engaging in policy analysis as research Providing practitioners and students with a set of tools that can be used to enhance an understanding of what constitutes policy as well as acceptable standards for critical analysis of policy this resource enables policy advocates regardless of their level to be political strategic and critical in their work *Study Guide: Intermediate Examination* ,2000 **Understanding Social Problems, Policies, and Programs** Leon H. Ginsberg,Julie Miller-Cribbs,2005 In this fourth edition of a social work standard Leon Ginsberg and Julie Miller Cribbs offer an updated version of the text that has introduced thousands of social work students to the defining policies and procedures of the profession Concise yet comprehensive the volume surveys the

span of social welfare history explains the elements of social welfare policy education and describes the impact of executive legislative and judicial initiatives on the delivery of social services      **Social Agency Policy** John P. Flynn,1992 This text is a practical introduction to social welfare policy analysis and presentation at the local or community level The book s focus on small scale locally oriented practice in human services is a unique feature in that most texts focus on grand scale and national policies ignoring the power reality and necessity of policy practice at the agency community or inter organization levels Flynn also includes an integrated discussion about values and ethics      **American Book Publishing Record** ,1992

*Public Administration Series--Bibliography* ,1985      **The Foundations of Social Work Knowledge** Frederic G. Reamer,1994 Leading social work educators explain the essential components of the social work curriculum social work practice policy and services human behavior in the social environment research and evaluation field education ethics oppression and social injustice and diversity and populations at risk including ethnic minorities and people of color women lesbians and gays and people with disabilities      *Analytical Skills for Community Organization Practice* Donna Hardina,2002-05-01 This guide promotes the use of analytical skills in community organization practice including information gathering and processing legislative research needs assessment participatory action research political analysis population forecasting and social indicator analysis power analysis program development and planning resource development budgeting and grant writing These analytical methods often used in practice but seldom systematically discussed assist the practitioner in identifying community problems planning interventions and conducting evaluations The text explicates a problem solving model that identifies concepts and theories underlying practice methods for problem identification and assessment and techniques for goal setting implementation and evaluation It features extensive listings of Web sites for community organization practice and is dedicated to the idea that the community organizer to be truly effective must be prepared to be an active learner      **School Social Work** Robert T. Constable,Shirley McDonald,John P. Flynn,1999      **Canadian Social Policy** Anne Westhues,2006 What are the major issues confronting social policy makers today What theoretical perspectives shape our thinking about the causes of social problems and how we should respond What can we do to influence decision makers about which policy choice to make In this completely revised and updated edition of Canadian Social Policy a new generation of social policy analysts discusses these important questions Readers who are interested in discovering the current policy debates and who want to understand the policy making process at various levels of government as well as how they can influence the process and assess whether policies are working will find this book invaluable      [The Handbook of Social Policy](#) James Midgley,Martin B. Tracy,Michelle Livermore,2000 Comprises 33 papers grouped under five themes The Nature of social policy The History of social policy Social policy and the social services The Political economy of social policy and International and future perspectives on social policy
