place not in mundane existence but in the illusion like purity of the enlightened view While the previously published Essence of the Ocean of Attainments is a concise exposition on the practice of the Guhyasamaja sadhana Ocean of Attainments is much more detailed providing extensive scriptural citations clear explanation of the body mandala arguments on points of contention reference to other tantric systems and critiques of misinterpretations Complemented by the extensive and clear introduction this volume is a vital contribution to the growing body of scholarship on Guhyasamaja and on Buddhist tantra in general
