Dow** Jennifer Dumke,2013-09-17 Wallace L Dow s enduring legacy is visible throughout Sioux Falls and across South Dakota His distinctive structures whether civic buildings

or private residences are beholden to no single architectural style A New Hampshire native Dow was brought to the Dakota Territory in the 1880s by Governor Nehemiah Ordway Dow quickly established himself as the preeminent architect of the Dakota prairie designing iconic structures like Sioux Falls Courthouse and the penitentiary as well as many beautiful private residences Using local Sioux quartzite Dow s buildings gave the emerging Dakota Territory an identity Yet the architect himself remains something of a mystery Join author and Dow documentarian Jennifer Dumke as she uncovers Dow s story recounting the life and work of a true Sioux Falls original who left his mark statewide *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* ,2004 *Exhibitions Today* National Endowment for the Humanities. Division of Public Programs, *City of Hustle* Patrick Hicks,Jon K Lauck,2022-10-11 A part of Belt s City Anthology Series a unique take on the South Dakota town residents call the Best Little City in America In 1992 Money magazine named Sioux Falls South Dakota the best place to Prairie Republic Jon K. Lauck,2012-10-11 American democratic ideals civic republicanism public morality and Christianity were the dominant forces at work during South Dakota s formative decade What In our cynical age such a claim seems either remarkably na ve or hopelessly outdated Territorial politics in the late nineteenth century West is typically viewed as a closed door game of unprincipled opportunism or is caricatured as in the classic film *The Man Who Shot Liberty Valance* as a drunken exercise in bombast and rascality Now Jon K Lauck examines anew the values we like to think were at work during the founding of our western states Taking Dakota Territory as a laboratory for examining a formative stage of western politics Lauck finds that settlers from New England and the Midwest brought democratic practices and republican values to the northern plains and invoked them as guiding principles in the drive for South Dakota statehood Prairie Republic corrects an overemphasis on class conflict and economic determinism factors posited decades ago by such historians as Howard R Lamar Instead Lauck finds South Dakota s political founders to be agents of Protestant Christianity and of civic republicanism an age old ideology that entrusted the polity to independent landowning citizens who placed the common interest above private interest Focusing on the political culture widely shared among settlers attracted to the Great Dakota Boom of the 1880s Lauck shows how they embraced civic virtue broad political participation and agrarian ideals Family was central in their lives as were common school education work and Christian community In rescuing the story of Dakota s settlers from historical obscurity Prairie Republic dissents from the recent darker portrayal of western history and expands our view and understanding of the American democratic tradition
