Siouxsie and the Banshees Photo Book, 1986 **Ray Stevenson's Siouxsie and the Banshees** Ray Stevenson, 1983

Let's spend the night together Subcultures Network, 2023-11-07 Let's spend the night together explores how sex and sexuality provided essential elements of British youth culture in the 1950s through to the 1980s. It shows how the underlying sexual charge of rock n roll and pop music more generally was integral to the broader challenge embodied in the youth cultures that developed after World War Two. As teenage hormones rushed to move to the music and take advantage of the spaces opening up through consumption, education and employment, so the boundaries of British morality and cultural propriety were tested and often transgressed. Be it the assertive masculinity of the teds or the lustful longings of the teeny bopper, the gender bending of glam or the subterranean allure of an underground club disco, the free love of the 1960s or the punk provocations in the 1970s, sex was forever to the fore and more often than not underpinned the moral panics that fitfully followed any cultural shift in youthful style and behaviour. Drawing from scholarship across a range of disciplines, the Subcultures Network explore how sex and sexuality were experienced, presented, conferred, responded to and understood within the context of youth culture, popular music and social change in the period between World War Two and the advent of AIDS. The essays locate sex, music and youth culture in the context of post war Britain with a widening and ever more prevalent media amidst the loosening bonds of censorship in a society shaped by changing patterns of consumption and the emergence of the teenager existing as Jeff Nuttall famously argued under the shadow of the nuclear bomb. **The Cure -**

The Peel Sessions Ken Garner, 2010-12-15 This is a story of teenage dreams which as any Peel fan knows are hard to beat Between 1967 and 2004 John Peel picked over 2000 bands to come and record over 4000 sessions to be played on his radio show Many were young and had never been in a recording studio before for some it was the start of an illustrious career for others it was the only recognition their musical talent ever got For over 35 years the cream of British musical talent made the journey to the BBC's studio in Maida Vale from Pink Floyd to Pulp the Small Faces to the Smiths And because John Peel was so respected his sessions took on a legendary status they were a rite of passage that every new band wanted to go through Unfettered by commercial pressure the Peel Sessions were a unique British institution an archive of music that reflects one man's passion for finding and encouraging new music Includes a full sessionography listing songs band members and broadcast dates Jarvis Cocker writing about his first Peel Session aged 18 Wayne the drummer was 15 We travelled down to Maida Vale in a van driven by a very strange man we'd contacted via a card pinned to the Virgin record shop noticeboard We'd had to borrow lots of equipment from a band called The Naughtiest Girl Was a Monitor cause we didn't have enough stuff of our own The session was to be produced by Dale Griffin who used to be the drummer in Mott the Hoople I seem to remember that he was wearing cowboy boots I think the crisis point came when Wayne was attempting to get a home made synth drum to work that a friend of his at school had made out of a rubber burglar alarm mat and an old electronic calculator Dale Griffin looked at this 15 year old kid crouching on the floor bashing what looked like a doormat with some wires coming out of it and just put his head in his hands But to his credit the session
