The Sirens Sang of Murder Sarah Caudwell,2012-10-18 Whilst on a trip to the sunny Channel Islands to find the heir to a lucrative tax law case young barrister Michael Cantrip finds himself in over his head Peculiar things begin to occur on the mysterious and isolated islands with something or somebody bumping off members of his legal team With the help of his mentor amateur investigator Hilary Tamar Cantrip must find a safe passage back to the Lincoln s Inn Chambers      *Fatal Fictions* Alison L. LaCroix,Richard H. McAdams,Martha Craven Nussbaum,2017 Writers of fiction have always confronted topics of crime and punishment This age old fascination with crime on the part of both authors and readers is not surprising given that criminal justice touches on so many political and psychological themes essential to literature and comes equipped with a trial process that contains its own dramatic structure This volume explores this profound and enduring literary engagement with crime investigation and criminal justice The collected essays explore three themes that connect the world of law with that of fiction First defining and punishing crime is one of the fundamental purposes of government along with the protection of victims by the prevention of crime And yet criminal punishment remains one of the most abused and terrifying forms of political power Second crime is intensely psychological and therefore an important subject by which a writer can develop and explore character A third connection between criminal justice and fiction involves the inherently dramatic nature of the legal system itself particularly the trial Moreover the ongoing public conversation about crime and punishment suggests that the time is ripe for collaboration between law and literature in this troubled domain The essays in this collection span a wide array of genres including tragic drama science fiction lyric poetry autobiography and mystery novels The works discussed include works as old as fifth century BCE Greek tragedy and as recent as contemporary novels memoirs and mystery novels The cumulative result is arresting there are killer wives and crimes against trees a government bureaucrat who sends political adversaries to their death for treason before falling to the same fate himself a convicted murderer who doesn t die when hanged a psychopathological collector whose quite sane kidnapping victim nevertheless also collects Justice Thomas reading and misreading of Bigger Thomas a man who forgives his son s murderer and one who cannot forgive his wife s non existent adultery fictional detectives who draw on historical analysis to solve murders These essays begin a conversation and they illustrate the great depth and power of crime in literature      **Sirens Sang of Murder** Sarah L. Caudwell,1990-09      Serpents in the Garden Alexander Cockburn,Jeffrey St. Clair,2004 The latest in the award winning Counterpunch series detonates an explosion of voracious opinionated and witty fireworks on the unexpected intersections of politics art music architecture and sex This book showcases essays from the nation s most exciting and radical cultural critics      **Burial Plots in British Detective Fiction** Lisa Hopkins,2021-01-24 Burial Plots in British Detective Fiction offers an overview of the ways in which the past is brought back to the surface and influences the present

in British detective fiction written between 1920 and 2020 Exploring a range of authors including Agatha Christie Patricia Wentworth Val McDermid Sarah Caudwell Georgette Heyer Dorothy Dunnett Jonathan Stroud and Ben Aaronovitch Lisa Hopkins argues that both the literal and literary disinterment of the past use elements of the national past to interrogate the present As such in the texts discussed uncovering the truth about an individual crime is also typically an uncovering of a more general connection between the present and the past Whether detective novels explore murders on archaeological digs hauntings cold crimes or killings at Christmas Hopkins explores the underlying message that you cannot understand the present unless you understand the past

**Pronoun Envy** Anna Livia, 2001 Controversy over gendered pronouns for example using the generic he has been a staple of feminist arguments about patriarchal language over the last 30 years and is certainly the most contested political issue in Western feminist linguistics Most accounts do not extend beyond policy issues like the official institution of non sexist language In this volume Anna Livia reveals continuities both before and after the sexist language reform movement and shows how the creative practices of pronoun use on the part of feminist writers had both aesthetic and political ends Livia uses the term pronoun envy ironically to show that rather being a case of misguided envy battles over gendered language are central to feminist concerns Livia examines a broad corpus of written texts in English and French concentrating on those texts which problematize the traditional functioning of the linguistic gender system They range from novels and prose poems to film scripts and personal testimonies and in time from the 19th century to the present Some withhold any indication of gender others have non gendered characters Livia's goal is two fold to help bridge the divide between linguistic and literary analysis and to show how careful study of the manipulation of linguistic gender in these texts informs larger concerns This fresh and highly interdisciplinary work lies at the intersection of several vital areas including language and gender sociolinguistics and feminist literary analysis

**The Routledge Companion to Adaptation** Dennis Cutchins, Katja Krebs, Eckart Voigts, 2018-04-17 The Routledge Companion to Adaptation offers a broad range of scholarship from this growing interdisciplinary field With a basis in source oriented studies such as novel to stage and stage to film adaptations this volume also seeks to highlight the new and innovative aspects of adaptation studies ranging from theatre and dance to radio television and new media It is divided into five sections Mapping which presents a variety of perspectives on the scope and development of adaptation studies Historiography which investigates the ways in which adaptation engages with and disrupts history Identity which considers texts and practices in adaptation as sites of multiple and fluid identity formations Reception which examines the role played by an audience considering the unpredictable relationships between adaptations and those who experience them Technology which focuses on the effects of ongoing technological advances and shifts on specific adaptations and on the wider field of adaptation An emphasis on adaptation as practice establishes methods of investigation that move beyond a purely comparative case study model The Routledge Companion to Adaptation celebrates the complexity and diversity of adaptation studies mapping the field across

genres and disciplines      Women Times Three Kathleen Gregory Klein,1995 The essays authors are not only widely published scholar critics of mystery detective fiction but also dedicated fans of the genre Familiar with the full scope of mystery fiction they bring insight and enthusiasm to their writing      *Feminism in Women's Detective Fiction* Glenwood Irons,1995-12-15 Names such as Sherlock Holmes Hercule Poirot and Sam Spade are perhaps better known than the names of the authors who created them The woman detective has also had worldwide appeal yet with the exception of Christie s Miss Marple the names of female detectives and their authors have only recently gained wide attention through the popularity of Marcia Muller Sue Grafton and Sara Paretsky The essays in this collection grapple with a wide range of issues important to the female sleuth the most important perhaps being the oft heard challenge to her suitability for the job Not surprisingly gender issues are the main focus of all the essays indeed in detective novels with a woman protagonist these issues are often right at the surface Some of the papers see the female sleuth as an important force in popular fiction but many also challenge the notion that the woman detective is a positive model for feminists They argue that fictional female sleuths have lost the otherness that a feminine approach to the genre should encourage Collectively the essays also reveal the differences between British and American perspectives on the woman detective      **Scott Turow** Andrew F.

Macdonald,Gina Macdonald,2005-05-30 Scott Turow is a novelist lawyer and humanist who has fused his two passions writing and the law to create challenging novels that raise significant legal issues and test the justice of present laws In all of his books Turow reveals the moral ambiguities that afflict both accuser and accused and challenges his readers to reconsider their preconceived notions of justice Beginning with *One L* his first published work about the first year law school experience Turow continues to capture his readers imaginations with books such as *Presumed Innocent* and *Burden of Proof*      *The Sibyl in Her Grave* Sarah Caudwell,2024-04-02 Follow the money in this gripping literary puzzle the fourth and final installment of Sarah Caudwell s brilliant Hilary Tamar mystery series Sarah Caudwell is one of my very favorite mystery writers A J Finn New York Times bestselling author of *The Woman in the Window* Julia Larwood s Aunt Regina needs help She and two friends pooled their modest resources and invested in equities Now the tax man demands his due but they ve already spent the money How can they dig themselves out of the tax hole Even more to the point Can the sin of capital gains trigger corporeal loss That s a question for the sibyl psychic counselor Isabella del Comino who has offended Aunt Regina and her friends by moving into the rectory plowing under a cherished garden and establishing an aviary of ravens When Isabella is found dead all clues point to death by fiscal misadventure So Julia calls in an old friend and Oxford fellow Professor Hilary Tamar to follow a money trail that connects Aunt Regina to what appears to be capital fraud and capital crime The two women couldn t have a better champion than the erudite Hilary Once again Sarah Caudwell sweeps us into the scene of the crime leaving us to ponder the greatest mystery of all Hilary herself Don t miss any of Sarah Caudwell s riveting Hilary Tamar mysteries **THUS WAS ADONIS MURDERED THE SHORTEST WAY TO HADES THE SIRENS SANG OF**
