Religious Orders of Women in the United States Elinor Tong Dehey, 1913 Across God's Frontiers Anne M.

Butler, 2012-09-17 Roman Catholic sisters first traveled to the American West as providers of social services education and medical assistance In Across God's Frontiers Anne M Butler traces the ways in which sisters challenged and reconfigured contemporary ideas about women work religion and the West moreover she demonstrates how religious life became a vehicle for increasing women's agency and power Moving to the West introduced significant changes for these women including public employment and thoroughly unconventional monastic lives As nuns and sisters adjusted to new circumstances and immersed themselves in rugged environments Butler argues the West shaped them and through their labors and charities the sisters in turn shaped the West These female religious pioneers built institutions brokered relationships between Indigenous peoples and encroaching settlers and undertook varied occupations often without organized funding or direct support from the church hierarchy A comprehensive history of Roman Catholic nuns and sisters in the American West Across God's Frontiers reveals Catholic sisters as dynamic and creative architects of civic and religious institutions in western communities Congressional Record United States. Sisters of the Holy Spirit and Mary Immaculate, The Cecilia Gutierrez Venable and the Sisters of the Holy Spirit and Mary Immaculate, 2018 For 125 years the Sisters of the Holy Spirit and Mary Immaculate served the poor and in particular people of color They are the first order of sisters founded in Texas Their foundress Margaret Mary Healy Murphy built the first Catholic African American school and church in San Antonio the second in the state of Texas The sisters carried their

mission and work beyond the Lone Star State's borders and included most of the South and a few metropolitan areas of the North. They crossed the Rio Grande and had several missions in Mexico and traversed a new continent when they opened a learning center in Zambia. The sisters were primarily known as educators and in later years worked in religious education and pastoral ministry. They have also operated orphanages and nursing homes and served in hospitals, homeless shelters, incarceration facilities, and immigration residences. The school they built over 100 years ago, now known as the Healy Murphy Center, serves the community as an alternative high school, and the sisters still teach there. *The Catholic University Bulletin*, 1918 **General Catalogue** Catholic University of America, Washington Catholic University of America (D.C.), 1913

Eight Outstanding Writers
In the summer of 2002, this small collection of writers got together and began a dedicated writing group. Meeting nearly every week, they shared meals together, wrote, read their work, and listened. For four years, they supported each other's efforts, and something magical happened. They started taking their work out into the world in the form of public readings, pieces in local publications, and even the production of a successful play titled *Lakeside Stories*, performed for more than 400 people. The book you hold in your hand is a sampling of creative work by eight outstanding authors. Their stories dramatize the humor and pathos of life. Their poems reflect on the meaning of everyday life. And their essays open our eyes to the world around us. This book is the fruition of years of hard work and dedication, giving you a collection of writings that will engage, entertain, and maybe even enlighten you. These REEDS have been woven into a soul boat stout enough to weather the roughest seas.
J. Jennings, singer-songwriter
Reads is a portal into the depth of the human experience, engaging, delightfully diverse, and refreshing.
Carol Emery Normandi, co-author of *Over It* and *It's Not About Food*. This anthology certainly broadened my view of Lake County life and letters. I found it surprising, amusing, entertaining, edifying, and titillating.
Dan Barth, author of *Coyote Haiku* The Complete Novels of the Lear Sister Trilogy Julia London, 2011-07-09 *The Catholic Church in the United States of America*, 1914
