Case-marking in Contact Felicity Meakins, 2011 Until recently mixed languages were considered an oddity of contact linguistics with debates about whether or not they actually existed stifling much descriptive work or discussion of their origins These debates have shifted from questioning their existence to a focus on their formation and their social and structural features This book aims to advance our understanding of how mixed languages evolve by introducing a substantial corpus from a newly described mixed language Gurindji Kriol Gurindji Kriol is spoken by the Gurindji people who live at Kalkaringi in northern Australia and is the result of pervasive code switching practices Although Gurindji Kriol bears some resemblance to both of its source languages it uses the forms from these languages to function within a unique system This book focuses on one structural aspect of Gurindji Kriol case morphology which is from Gurindji but functions in ways that differ from its source

Losin' Ain't an Option Gary Hicks,Pat Bush,2010-08-26 As I headed south from the Black Hills of South Dakota the driving was some of the most difficult I had ever encountered It wasn't the snow or the ice on this lonely two lane road that troubled me it was the uncertainty of what was ahead and the regret of what I was leaving behind that was overcoming me with emotion and clouding my vision with the tears of fear I had made the wrong decision I had just left behind my job the woman I loved and everything I was accustomed to en route to take over a roadhouse in the Native Country of the southwest Looking like a dust bowl refugee in my old Currier pick up loaded with my tools my Harley and 140 pound Shepherd dog named Chelsea I had agreed with my father to go clean up this shit hole of a bar he had built back in the 60s He had leased it out when we left Arizona I was in about the 5th grade when we left and over the years it had become infamous The current lessee had failed to pay the rent for the last couple of years and needed to be removed Compounding that situation was the over three dozen police calls the local sheriff had received in just the last year As I look back now those fears though real were slightly exaggerated I was unaware at the time that life's experiences had groomed me for what was to come It would be the best job I ever hated and the worst job I ever loved Little was I to know life in hell is hilarious
