book on Sanskrit horror literature a friend in New Delhi told him about an itinerant teller of ghost and vampire tales a man  
with clusters of amulets around his neck and a silk top hat with peacock plumes on his head Siegel set out in search of the  
old man called Brahm Kathuwala to hear his stories and to learn about his uncommon life But what started out as a study of  
other people s stories became a compelling story itself City of Dreadful Night is an astonishing work of fiction a tangle of  
tales that transports the reader from the Medieval India of magicians witches and vampires through the British India of  
Brahm Kathuwala s childhood into the chaos and political terror of contemporary India Vividly recreating Indian literary and  
oral traditions Siegel weaves a web of possession reincarnation and magical transformation unlike any found in the Western  
tradition Flesh eating demons Rajiv Gandhi s assassin even Bram Stoker and Dracula populate the serpentine narrative  
which intermingles stories about the characters with the terrifying tales they tell Siegel pursues Brahm Kathuwala from the

ghastly lights of the cremation ground at Banaras through villages all over north India Brahm s life story is revealed through countless tales along the way We learn that he was raised and abandoned by two mothers one the destitute floor sweeper who bore him the other her employer a wealthy Irish woman who read and reread to him the story of Dracula We hear of his marriage to the daughter of a cremation ground attendant his battles against her demonic possession and their painful parting We come to understand the daily life and motivations of this horror professional who uses terrifying tales to ward off the evil he himself fears This unorthodox book is more than a story it blends scholarship fantasy travelogue and autobiography fusing and overlapping historical accounts and newscasts literary texts and films dreams and nocturnal tales Siegel uses imagination to explore the relation of real terror to horror fiction and to contemplate the ways fear and disgust become thrilling elements in stories of the macabre This book is the product of Siegel s deep knowledge of both Indian and Western literary and philosophical traditions It is also an attempt to come to grips with the omnipresence of political and religious terror in contemporary India Shocking original beautifully written City of Dreadful Night offers readers a captivating immersion in the wonder and terror of India past and present

Largely inaccessible to the public until now, these enduring crime classics were written in the golden age of detective fiction. With an introduction by Martin Edwards and featuring the Dickson Carr short story *The Shadow of the Goat*, we are thrilled to welcome John Dickson Carr into the Crime Classics series with his first novel, a brooding locked room mystery in the gathering dusk of the French capital. In the smoke-wreathed gloom of a Parisian salon, Inspector Bencolin has summoned his allies to discuss a peculiar case: A would-be murderer, imprisoned for his attempt to kill his wife, has escaped and is known to have visited a plastic surgeon. His whereabouts remain a mystery, though with his former wife poised to marry another, Bencolin predicts his return. Sure enough, the Inspector's worst suspicions are realized when the beheaded body of the new suitor is discovered in a locked room of the salon with no apparent exit. Bencolin sets off into the Parisian night to unravel the dumbfounding mystery and track down the sadistic killer. Penned during the golden age of mysteries, this thrilling investigation brings a detective face to face with the darkest parts of Paris. The book that catapulted Roberto Bolaño into international literary stardom, *By Night in Chile*, is the final testimony of Sebastián Urrutia Lacroix, Chilean priest and member of Opus Dei, eminent literary critic and failed poet, as he is haunted by a shadowy figure from his past. In Urrutia's feverish last hours, a deluge of memories pours from him of hobnobbing with Santiago's most unctuous literati of undertaking a mission to save Europe's decaying cathedrals from existential threat by pigeon excrement, of retreating into Greco-Roman poetry during the darkest chapter of modern Chilean history, of tutoring Augusto Pinochet in Marxist theory, so
