Sermonettes from the Seashore Barry Blackstone, 2019-05-23 Coming from this preacher's love of the seashore is a series of sermonettes he heard while walking along some of the world's sandy beaches. Stroll with this man as he shares his insights from days spent on seashores in the counties of Israel, India, Canada, and Australia, as well as the states of Alaska, California, Florida, New Jersey, and Maine. Listen with him as he hears surf and sea sermons, tide and tern tenets, beach and breeze benedictions, and sand and storm sermonettes. Look with him into the face of a coastal nor'easter, watch with him as sea creatures and shoreline birds play together along the sea edge, behold brilliant sunrises and amazing sunsets over distant shores with family and friends, and observe the rising and falling of the great tides. All events along a seashore that inspired these spiritual messages from the Almighty. So take off your shoes, let the sand fill the cracks between your toes, lift your eyes toward the sea, open your ears to the sound of the surf, and be still and know that I am God. Ps 46:10 What does God want to say?

The Well at the World's End A. J. Mackinnon, 2014-04-23 This is a wonderful book, warm, humorous, and entertaining. Bookseller/Publisher: When A. J. Mackinnon quits his job in Australia, he knows only that he longs to travel to the Well at the World's End, a mysterious pool on a remote Scottish island whose waters, legend has it, hold the secret to eternal youth. Determined not to fly, it would feel like cheating, he sets out with a rucksack, some fireworks, and a map of the world, and trusts chance to take care of the rest. By land and by sea, by train, truck, horse, and yacht, he makes his way across the globe and through a series of hilarious adventures. He survives a bus crash in Australia, marries a princess in Laos, is attacked by Komodo dragons, and does time in a Chinese jail. The next lift-off or the next near miss is always just a happy accident away. This is the astonishing true story of a remarkable voyage, an old-fashioned quest by a modern-day adventurer. One of the most enjoyable books I have ever read, a marvellous read by a travel writer with a unique style. The Canberra Times. A. J. Mackinnon is the author of *The Unlikely Voyage of Jack de Crow* and *The Well at the World's End*. He was born in Australia in 1963 and he spent his childhood between England and Australia, travelling as a small boy with his family on the last P & O liners to sail between the two countries. His interests include painting, philosophy, writing, conjuring, and home-made fireworks. **These**
