does not support their social emotional needs More research on supporting the whole learner in adult online classrooms is required Motivation and Momentum in Adult Online Education highlights unique and varied approaches to adult learners motivation and momentum in online education It provides examples of strategies tools and practices educators and educational institutions use to encourage and support adult learners motivation and momentum across a variety of online educational programs Covering topics such as academic coaching faculty student interaction and student engagement this premier reference source is an excellent resource for higher education leaders professors course instructors advisors curriculum developers instructional designers lifelong learning application developers professionals in student support services librarians researchers and academicians

To the Extreme Robert E. Rinehart, Synthia Sydnor, 2012-02-01 An international array of authors including some prominent extreme athletes like Jake Burton and Arlo Eisenberg look at a variety of issues and concerns within the new action extreme sports that are gaining popularity throughout the world For each sport an interpretation is presented through two essays one written by a scholar active in some aspect of research for the given activity and another by a practitioner athlete who writes from the inside out The juxtaposed essays confront questions about the essence of sport such as What is sport How does it originate and What is its use value and function This book offers a fascinating look at how twentieth and twenty first century sport forms emerge proliferate and take hold in a sport crazy world

First Flights Dale Jones, 2024-06-01 Our feet are stuck firmly on the ground yet people have stared into the sky for thousands of years Who were the first people to imagine flying And who was the first to actually do it Blast off into discoveries that were made in air and space Every first flight voyage or discovery is a new step forward to shaping our world and beyond

Inspired Courage Connie Phelan, 2022-06-07 Is there anything scarier than fear itself Anything more convincing than what we tell ourselves Life is full of opportunities for adventure and achievement but so many of them seem completely out of reach We fear change negative consequences and uncertainty We tell ourselves we aren't smart enough not ready not worthy But what if we're wrong What if those negative things we tell ourselves and the things we're so very scared of facing are just figments Empty constructs fashioned from our own internal programming which begins taking hold the day we are born and grows more ingrained and insidious with every experience and influence to which we are exposed Our conscious and subconscious beliefs about ourselves and the world around us are often the only things that actually stand between where we are and where we want to go between who we are and who we could become With practical examples and simple language as well as a lot of thought provoking insight and humor Inspired Courage Breaking Through Your Barriers to Success will teach you how to recognize your fears and self limiting beliefs face them head on and break through to the other side Then you'll finally be free to embrace the world and yourself without getting in your own way
