# Slave Who Freed Haiti

**Alyssa Goldstein Sepinwall**

## **Slave Who Freed Haiti:**

**The Slave who Freed Haiti** Katharine Scherman,1954 The life of the black man who led his people plantation slaves in a revolt against their masters      **Slave Who Freed Haiti** Katharine Scherman,1964-04-12      **The Haitian Revolution** Toussaint L'Ouverture,2019-11-12 Toussaint L Ouverture was the leader of the Haitian Revolution in the late eighteenth century in which slaves rebelled against their masters and established the first black republic In this collection of his writings and speeches former Haitian politician Jean Bertrand Aristide demonstrates L Ouverture s profound contribution to the struggle for equality      **Toussaint Louverture** C. L. R. James,2013 A new critical edition of Toussaint Louverture the play written by the Trinidadian intellectual and activist C L R James in 1934 performed at London s Westminster Theatre in 1936 and then presumed lost until its rediscovery in 2005      **Haiti - A Slave Revolution** Ramsey Clark,Edwidge Danticat,Frederick Douglass,Ben Dupuy,Paul Laraque,2010-10 Drawing from a wide range of authors experts and historical texts this collection challenges historical stereotypes and counters 200 years of cultural myths and disinformation These essays explain the background to the current crisis in Haiti revealing the intertwined relationship between the United States and Haiti and the untold stories of the Haitian people s resistance to U S aggression and occupations Included are a time line photo essay author biographies and bibliography This revised edition also includes context surrounding the response to the tragic 2010 earthquake disaster      **Captured and Enslaved** Alaba Ajiye,2016-11-08 Okiki was captured chained shackled manacled and whisked away from his ancestral village on the day one that his life ambition would have been fulfilled He was cargo to servitude across the Atlantic Ocean He escaped death by a whisker when he took part in the insurrection that attempted to set slaves free from chains during the perilous middle passage voyage that took him to a sugar plantation in Pernambuco Soares was one of the slaves that trekked 1 870 kilometers to Calabouco from Pernambuco both in Brazil under grueling and callous condition after his masters decided to relocate to a bigger plantation far away from where they were to continue the inglorious trade Later he became an inheritance of his new slave master who took him to Saint Michael Barbados in the Caribbean and finally to Charleston South Carolina USA by his master who appointed him valet and subsequently butler Jackson Fey a Yoruba slave enjoyed the largesse of freedom when the dastardly act was abolished He chronicled personal events and happenings around him during his captivity in major slave plantations and documented them in a manuscript where he described slavery as days of darkness and gloom days of clouds and of thick darkness as morning spread upon the mountains This he also summarized in his native dialect as Iparun Nla literary means the greatest destruction the world has ever witnessed in Yoruba Steve McLaren a Scottish scholar was privileged to lay hands on the manuscript He had a personal interaction and shared in the grief and feelings of what enslaved Africans went through having been unsatisfied with the available materials a popular librarian offered him and the information he gathered personally on plantations With misty eyes and pangs of horror he recalled how the entire black African race was almost annihilated by

European slave merchants and Africans had to endure years of contempt and obloquy some of those acts were rendered in mnemonic interjections captured by his feelings emotionally delivered from the thought of victims Albert McLaren carried on with the promise his great grandfather gave to Jackson Fey a freed slave to continue activism against any form of slavery He chronicled the history of sexual slavery exposing the technicality of the traffickers ploy and shared individual experiences of some captors proffering solutions on how the world may conquer or mitigate sexual slavery and human trafficking During one of his presentation Linda Rowenski sold into slavery by a family friend gave her livid and loathsome testament in the hand of her ogre exactor who the arm of the law caught up with in unprecedented vagaries Haiti and Haitians, the 911 Call Printing Systems,2005 Slavery and Slaving in World History: A Bibliography, 1900-91: v. 1 David Y Miller,2019-07-23 This bibliography of 20th century literature focuses on slavery and slave trading from ancient times through the 19th century It contains over 10 000 entries with the principal sections organizing works by the political geographical frameworks of the enslavers

**Roots of Haiti's Vodou-Christian Faith** R. Murray Thomas,2014-06-19 This book traces the development of Haiti's combined Vodou Christian religion from 1500 to the present and explains how this combination of distinct faiths coalesces in a coherent belief system What are the historical reasons for the popularity of two contradictory worldviews in Haiti Vodou and Catholicism What elements of Vodou and Catholicism are alike and how are they drastically different What is the connection between indigenous African religions and Vodou And why has religion in Haiti evidenced an accelerating rate of change in recent decades Roots of Haiti's Vodou Christian Faith African and Catholic Origins answers these questions and more in its examination of the highly unique and often misunderstood religious practices in Haiti Reaching back half a millennium to the European conquest of the island of Haiti author R Murray Thomas inspects the origins and nature of these two competing and complementary religious traditions the traditional African faiths brought by the slaves who were imported to Haiti to labor in the fields and mines and the Catholicism promoted often violently by Spanish and French colonial authorities Following a historical background the subsequent chapters focus on the organization of Haitian religion spirits creation belief causes and ceremonies maxims and tales symbols and sacred objects sacred sites religious societies and the future of the Vodou Christian faith

Voodoo in Haiti Andre J. Louis,2007 The Republic of Haiti is a fascinating country of contrast where are joined together tradition and illiteracy high religion and folk religion light and darkness It is a country ravaged by poverty and afflicted by a considerable social backwardness where people live in a constant fear of a heavy and gloomy threat which impregnates every fiber of the society in which they live that of Voodoo Through this captivating work Dr Andre J Louis translates us into a world that most ordinary people would never even imagine the existence of such occultism where superstition sorcery magic spiritism divination and animism combine all their strength in order to set up the background of the daily life of each Haitian which unfortunately overwhelms him with a heavy weight of fear economic bondage and uncertainty regarding his future

**The World of the Haitian Revolution** David Patrick Geggus,Norman

Fiering,2009-01-21 These essays deepen our understanding of Haiti during the period from 1791 to 1815 They consider the colony s history and material culture as well as it free people of colour and the events leading up to the revolution and its violent unfolding Revisionist and Feminist Narratives on Empire, Slavery and the Haitian Revolution Sharon

Worley,2024-07-14 This study examines how authors responded to the Haitian Revolution with revisionist narratives that seek to support empire or rebellion while focusing on the ethical ramifications of colonialism and slavery in the Americas Narrative texts include Leonora Sansay s Secret History or the Horrors of Santo Domingo Germaine de Stael s Mirza Fanny Burney s The Wanderer Jane Austen s Mansfield Park and Sanditon Harriet Martineau s The Hour and the Man and Elizabeth Barrett Browning s poems A Curse for a Nation and The Runaway Slave at Pilgrim s Point Additional authors include Lucien Bonaparte Chateaubriand Raynal Edmund Burke and Rousseau Each author s narrative is examined within the context of the cultural and political factors that influenced the author as well as their personal ties to the abolitionist movement or to the institution of slavery

**Haitian History** Alyssa Goldstein Sepinwall,2013 Despite Haiti s proximity to the United States and its considerable importance to our own history Haiti barely registered in the historic consciousness of most Americans until recently Those who struggled to understand Haiti s suffering in the earthquake of 2010 often spoke of it as the poorest country in the Western hemisphere but could not explain how it came to be so In recent years the amount of scholarship about the island has increased dramatically Whereas once this scholarship was focused on Haiti s political or military leaders now the historiography of Haiti features lively debates and different schools of thought Even as this body of knowledge has developed it has been hard for students to grasp its various strands Haitian History presents the best of the recent articles on Haitian history by both Haitian and foreign scholars moving from colonial Saint Domingue to the aftermath of the 2010 earthquake It will be the go to one volume introduction to the field of Haitian history helping to explain how the promise of the Haitian Revolution dissipated and presenting the major debates and questions in the field today Under a Bad Sign

Jonathan Munby,2011-06-15 What accounts for the persistence of the figure of the black criminal in popular culture created by African Americans Unearthing the overlooked history of art that has often seemed at odds with the politics of civil rights and racial advancement Under a Bad Sign explores the rationale behind this tradition of criminal self representation from the Harlem Renaissance to contemporary gangsta culture In this lively exploration Jonathan Munby takes a uniquely broad view laying bare the way the criminal appears within and moves among literary musical and visual arts Munby traces the legacy of badness in Rudolph Fisher and Chester Himes s detective fiction and in Claude McKay Julian Mayfield and Donald Goines s urban experience writing Ranging from Peetie Wheatstraw s gangster blues to gangsta rap he also examines criminals in popular songs Turning to the screen the underworld films of Oscar Micheaux and Ralph Cooper the 1970s blaxploitation cycle and the 1990s hood movie come under his microscope as well Ultimately Munby concludes that this tradition has been a misunderstood aspect of African American civic life and that rather than undermining black culture it forms a rich and

enduring response to being outcast in America      **Haiti's Influence on Antebellum America** Alfred N. Hunt, 2006-08-01

The Haitian Revolution began in 1791 as a slave revolt on the French colonial island of Saint Domingue and ended thirteen years later with the founding of an independent black republic. Waves of French West Indians, slaves, white colonists, and free blacks fled the upheaval and flooded southern U.S. ports, most notably New Orleans, bringing with them everything from French opera to voodoo. Alfred N. Hunt discusses the ways these immigrants affected southern agriculture, architecture, language, politics, medicine, religion, and the arts. He also considers how the events in Haiti influenced the American slavery emancipation debate and spurred developments in black militancy and Pan Africanism in the United States. By effecting the development of racial ideology in antebellum America, Hunt concludes the Haitian Revolution was a major contributing factor to the attitudes that led to the Civil War.

**Slave Revolt on Screen** Alyssa Goldstein Sepinwall, 2021-05-28 Recipient of the 2021 Honorary Mention for the Haiti Book Prize from the Haitian Studies Association. In *Slave Revolt on Screen: The Haitian Revolution in Film and Video Games*, author Alyssa Goldstein Sepinwall analyzes how films and video games from around the world have depicted slave revolt, focusing on the Haitian Revolution (1791-1804). This event, the first successful revolution by enslaved people in modern history, sent shock waves throughout the Atlantic World. Regardless of its historical significance, however, this revolution has become less well known and appears less often on screen than most other revolutions. Its story involving enslaved Africans liberating themselves through violence does not match the suffering slaves waiting for a white hero genre that pervades Hollywood treatments of Black history. Despite Hollywood's near silence on this event, some films on the Revolution do exist from directors in Haiti, the U.S., France, and elsewhere. *Slave Revolt on Screen* offers the first ever comprehensive analysis of Haitian Revolution cinema, including completed films and planned projects that were never made. In addition to studying cinema, this book also breaks ground in examining video games, a pop culture form long neglected by historians. Sepinwall scrutinizes video game depictions of Haitian slave revolt that appear in games like the *Assassin's Creed* series that have reached millions more players than comparable films. In analyzing films and games on the revolution, *Slave Revolt on Screen* calls attention to the ways that economic legacies of slavery and colonialism warp pop culture portrayals of the past and leave audiences with distorted understandings.

**The Caribbean Race Reader** Victoria J. Collis-Buthelezi, Aaron Kamugisha, 2024-09-11 This book is the first critical anthology in English on the history and legacy of race in the Caribbean. It brings together the major debates, lines of inquiry, and theories around race and racism that have emerged out of the Caribbean from the beginning of European colonization at the end of the fifteenth century to the period of decolonization in the aftermath of World War II. This critical anthology stakes out the unique contribution made by the region to the global history of race. *The Caribbean Race Reader* provides students and scholars of the region with vital access to some of the most important contributions on race and Caribbean society, many of which are difficult to access, and assembles them together as part of a series of key debates. At a time when the searing realities of race and antiblack racism stand out as

global existential crises this volume both documents the Caribbean's important contribution to global histories of race and provides an excellent overview of the quest by the region's radical intelligentsia to undo racism's contemporary legacies

**The Haitian Revolution and Its Effects** Patrick E. Bryan, 1984      **Disasters, Vulnerability, and Narratives** Kasia Mika, 2018-07-17 This book uses narrative responses to the 2010 Haiti earthquake as a starting point for an analysis of notions of disaster vulnerability reconstruction and recovery The turn to a wide range of literary works enables a composite comparative analysis which encompasses the social political and individual dimensions of the earthquake This book focuses on a vision of an open ended future otherwise than as a threat or fear Mika turns to concepts of hinged chronologies slow healing and remnant dwelling Weaving theory with attentive close readings the book offers an open ended framework for conceptualising post disaster recovery and healing These processes happen at different times and must entail the elimination of compound vulnerabilities that created the disaster in the first place Challenging characterisations of the region as a continuous catastrophe this book works towards a bold vision of Haiti's and the Caribbean's futures The study shows how narratives can extend some of the key concepts within discipline bound approaches to disasters while making an important contribution to the interface between disaster studies postcolonial ecocriticism and Haitian Studies      **Encyclopedia of U.S. - Latin American Relations** Thomas Leonard, Jürgen Buchenau, Kyle Longley, Graeme Mount, 2012-01-31 No previous work has covered the web of important players places and events that have shaped the history of the United States relations with its neighbors to the south From the Monroe Doctrine through today's tensions with Latin America's new leftist governments this history is rich in case studies of diplomatic economic and military cooperation and contentiousness Encyclopedia of U S Latin American Relations is a comprehensive three volume A to Z reference featuring more than 800 entries detailing the political economic and military interconnections between the United States and the countries of Latin America including Mexico and the nations in Central America the Caribbean and South America Entries cover Each country and its relationship with the United States Key politicians diplomats and revolutionaries in each country Wars conflicts and other events Policies and treaties Organizations central to the political and diplomatic history of the western hemisphere Key topics covered include Coups and terrorist organizations U S military interventions in the Caribbean Mexican American War The Cold War communism and dictators The war on drugs in Latin America Panama Canal Embargo on Cuba Pan Americanism and Inter American conferences The role of commodities like coffee bananas copper and oil Big Stick and Good Neighbor policies Impact of religion in U S Latin American relations Neoliberal economic development model U S Presidents from John Quincy Adams to Barack Obama Latin American leaders from Simon Bolivar to Hugo Chavez With expansive coverage of more than 200 years of important and fascinating events this new work will serve as an important addition to the collections of academic public and school libraries serving students and researchers interested in U S history and diplomacy Latin American studies international relations and current events
