Slavery And Freedom In Delaware 1639 1865

Michael Morgan

Slavery And Freedom In Delaware 1639 1865:

Slavery and Freedom in Delaware, 1639-1865 William Henry Williams,1996 A text for courses in colonial and antebellum history It analyzes the peculiar institution in the First State

Slavery and Freedom in Delaware, 1639-1865 William Henry Williams,1999 *Slavery and Freedom Among Early American Workers* Graham Russell Hodges,2016-07-01 Covering a chronological span from the seventeenth century to the Civil War the book reunites black and labor history including such major topics as the formation of slavery in the North the American Revolution blacks and the Workingmen s Movement and interracial marriage before the Civil War This book provides fascinating reading for students of American history labor history urban history and black history

Philadelphia Quakers and the Antislavery Movement Brian Temple,2014-05-23 The Quakers came to America in the 17th century to seek religious freedom After years of struggle they achieved success in various endeavors and like many wealthy colonists of the time bought and sold slaves But a movement to remove slavery from their midst sparked by their religious beliefs grew until they renounced the slave trade and freed their slaves Once they rejected slavery the Quakers then began to petition the state and Federal governments to do the same When those in power turned a blind eye to the suffering of those enslaved the Quakers used both legal and in the eyes of the government illegal means to fight slavery This determination to stand against slavery led some Quakers to join with others to be a part of the Underground Railroad The transition from friend to foe of slavery was not a quick one but one that nevertheless was ahead of the rest of America

Bound by Bondage Nicole Saffold Maskiell,2022-08-15 During the first generations of European settlement in North America a number of interconnected Northeastern families carved out private empires In *Bound by Bondage* Nicole Saffold Maskiell argues that slavery was vital to the rise of this aristocracy and those dynastic families built prestige through mastery creating manorial estates and expansive trading networks from the Northeast to the South the Caribbean and beyond Members of this elite class including mayors governors and presidents were among the largest slaveholders in the North with power aspirations uniting Anglo and Dutch families Using original research drawn from archives across several continents in multiple languages Maskiell traces the origins of these private empires from the founding of Northeastern colonies to the eve of the Revolutionary War She reveals a multiracial Early America where enslaved traders woodsmen millers maids bakers and groomsmen developed expansive networks of their own that challenged the power of the elites helping in escapes in trade and in simple camaraderie *Bound by Bondage* adds a new chapter to early North American history linking Northern networks of merit to slavery

The Ties That Bind Bertice Berry,2009-02-03 When novelist Bertice Berry set out to write a history of her family she initially believed she d uncover a story of slavery and black pain but the deeper she dug the more surprises she found There was heartache yes but also something unexpected hope Peeling away the layers Berry came to learn that the history of slavery cannot be quantified in simple black and white terms of good and evil but is rather a complex tapestry of roles and relations of choices and individual

responsibility In this poignant reflective memoir Berry skillfully relays the evolution of relations between the races from slavery to Reconstruction from the struggles of the Civil Rights movement and the Black Power 1970s and on to the present day In doing so she sheds light on a picture of the past that not only liberates but also unites and evokes the need to forgive and be forgiven

Prestatehood Legal Materials Michael G. Chiorazzi, Marguerite Most, 2005 A guide to the history and development of law in the U S and the change from territory to statehood Back cover

Prestatehood Legal Materials Michael Chiorazzi, 2013-05-13 Explore the controversial legal history of the formation of the United States Prestatehood Legal Materials is your one stop guide to the history and development of law in the U S and the change from territory to statehood Unprecedented in its coverage of territorial government this book identifies a wide range of available resources from each state to reveal the underlying legal principles that helped form the United States In this unique publication a state expert compiles each chapter using his or her own style culminating in a diverse sourcebook that is interesting as well as informative In Prestatehood Legal Materials you will find bibliographies references and discussion on a varied list of source materials including state codes drafted by Congress county state and national archives journals and digests state and federal reports citations surveys and studies books manuscripts papers speeches and theses town and city records and documents Web sites to help your search for more information and more Prestatehood Legal Materials provides you with brief overviews of state histories from colonization to acceptance into the United States In this book you will see how foreign countries controlled the laws of these territories and how these states eventually broke away to govern themselves The text also covers the legal issues with Native Americans inter state and the Mexico and Canadian borders and the development of the executive legislative and judicial branches of state government This guide focuses on materials that are readily available to historians political scientists legal scholars and researchers Resources that assist in locating not so easily accessible materials are also covered Special sections focus on the legal resources of colonial New York City and Washington DC which is still technically in its prestatehood stage Due to the enormity of this project the editor of Prestatehood Legal Materials created a Web page where updates corrections additions and more will be posted

[The Fiery Trial: Abraham Lincoln and American Slavery](#) Eric Foner, 2011-09-26 A masterwork by the preeminent historian of the Civil War era Boston Globe Selected as a Notable Book of the Year by the New York Times Book Review this landmark work gives us a definitive account of Lincoln s lifelong engagement with the nation s critical issue American slavery A master historian Eric Foner draws Lincoln and the broader history of the period into perfect balance We see Lincoln a pragmatic politician grounded in principle deftly navigating the dynamic politics of antislavery secession and civil war Lincoln s greatness emerges from his capacity for moral and political growth

[Appealing for Liberty](#) Loren Schweninger, 2018-09-03 Dred Scott and his landmark Supreme Court case are ingrained in the national memory but he was just one of multitudes who appealed for their freedom in courtrooms across the country Appealing for Liberty is the most comprehensive study to give voice to these

African Americans drawing from more than 2 000 suits and from the testimony of more than 4 000 plaintiffs from the Revolutionary era to the Civil War Through the petitions evidence and testimony introduced in these court proceedings the lives of the enslaved come sharply and poignantly into focus as do many other aspects of southern society such as the efforts to preserve and re unite black families This book depicts in graphic terms the pain suffering fears and trepidations of the plaintiffs while discussing the legal systemlawyers judges juries and testimonythat made judgments on their causes as the suits were often called Arguments for freedom were diverse slaves brought suits claiming they had been freed in wills and deeds were born of free mothers were descendants of free white women or Indian women they charged that they were illegally imported to some states or were residents of the free states and territories Those who testified on their behalf usually against leaders of their communities were generally white So too were the lawyers who took these cases many of them men of prominence such as Francis Scott Key More often than not these men were slave owners themselves complicating our understanding of race relations in the antebellum period A majority of the cases examined here were not appealed nor did they create important judicial precedent Indeed most of the cases ended at the county circuit or district court level of various southern states Yet the narratives of both those who gained their freedom and those who failed to do so and the issues their suits raised shed a bold and timely light on the history of race and liberty in the land of the free

American Civil War Spencer C. Tucker,Paul G. Pierpaoli Jr.,2015-03-24 This two volume encyclopedia offers a unique insight into the Civil War from a state and local perspective showing how the American experience of the conflict varied significantly based on location Intended for general interest readers and high school and college students American Civil War A State by State Encyclopedia serves as a unique ready reference that documents the important contributions of each individual state to the American Civil War and underscores the similarities and differences between the states both in the North and the South Each state chapter leads off with an overview essay about that state s involvement in the war and then presents entries on prominent population centers manufacturing facilities and military posts within each state important battles or other notable events that occurred within that state during the war and key individuals from each state both civilian and military The A Z entries within each state chapter enable readers to understand how the specific contributions and political climate of states resulted in the very different situations each state found itself in throughout the war The set also provides a detailed chronology that will help students place important events in proper order *Homicide Justified* Andrew T. Fede,2017-07-15 This comparative study looks at the laws concerning the murder of slaves by their masters and at how these laws were implemented Andrew T Fede cites a wide range of cases across time place and circumstance to illuminate legal judicial and other complexities surrounding this regrettably common occurrence These laws had evolved to limit in different ways the masters rights to severely punish and even kill their slaves while protecting valuable enslaved people understood as property from wanton destruction by hirers overseers and poor whites who did not own slaves To

explore the conflicts of masters rights with state and colonial laws Fede shows how slave homicide law evolved and was enforced not only in the United States but also in ancient Roman Visigoth Spanish Portuguese French and British jurisdictions His comparative approach reveals how legal reforms regarding slave homicide in antebellum times like past reforms dictated by emperors and kings were the products of changing perceptions of the interests of the public of the individual slave owners and of the slave owners families heirs and creditors Although some slave murders came to be regarded as capital offenses the laws consistently reinforced the second class status of slaves This influence Fede concludes flowed over into the application of law to free African Americans and would even make itself felt in the legal attitudes that underlay the Jim Crow era

A Sphinx on the American Land Peter Kolchin,2003-04-01 One reason that the South attracts so much interest is that its history inevitably involves big questions continuity versus change slavery and freedom the meaning of race the formation of national identity the struggle between local and centralized authority Because these issues are central to human experience southern history properly conceived is of more than regional interest In *A Sphinx on the American Land* Peter Kolchin explores three comparative frameworks for the study of the nineteenth century South in an effort to nudge the subject away from provincialism and toward the kind of global concerns that are already transforming it into one of the most innovative fields of historical research The volume opens with a comparison between the South and the North or what Kolchin terms the un South This basic context he explains provides an essential backdrop for understanding the South how one conceptualizes southernness has meaning only in terms of what it is not Turning to the cohesion and variations among what he calls the many Souths Kolchin reminds us that there has never been one South or archetypal southerner Internal distinctions whether geographic class religious or racial ultimately raise the question of whether one can properly speak of the South at all Finally Kolchin explores parallels between the South and regions outside the United States or other Souths He considers a number of ways in which the South can be studied in a broad international setting paying particular attention to the similarities and differences between the emancipation of southern slaves and Russian serfs In an eloquent afterword he ponders the nature and importance of comparative history Kolchin examines how scholars have approached each of his comparative frameworks and how they might do so in the future making *A Sphinx on the American Land* at once a work of history and of historiography Illustrating the ways in which southern history is also American history and world history this elegant profound volume proves Kolchin to be one of the stellar southern historians of his generation

Encyclopedia of African American History, 1619-1895 Paul Finkelman,2006-04-06 It is impossible to understand America without understanding the history of African Americans In nearly seven hundred entries the *Encyclopedia of African American History 1619-1895* documents the full range of the African American experience during that period from the arrival of the first slave ship to the death of Frederick Douglass and shows how all aspects of American culture history and national identity have been profoundly influenced by the experience of African Americans The *Encyclopedia* covers an extraordinary

range of subjects Major topics such as Abolitionism Black Nationalism the Civil War the Dred Scott case Reconstruction Slave Rebellions and Insurrections the Underground Railroad and Voting Rights are given the in depth treatment one would expect But the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the Encyclopedia offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia s alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work s usefulness

Warner Mifflin

Gary B. Nash, 2017-07-28 Warner Mifflin energetic uncompromising and reviled was the key figure connecting the abolitionist movements before and after the American Revolution A descendant of one of the pioneering families of William Penn s Holy Experiment Mifflin upheld the Quaker pacifist doctrine carrying the peace testimony to Generals Howe and Washington across the blood soaked Germantown battlefield and traveling several thousand miles by horse up and down the Atlantic seaboard to stiffen the spines of the beleaguered Quakers harried and exiled for their neutrality during the war for independence Mifflin was also a pioneer of slave reparations championing the radical idea that after their liberation Africans in America were entitled to cash payments and land or shared crop arrangements Preaching restitution Mifflin led the way in making Kent County Delaware a center of reparationist doctrine After the war Mifflin became the premier legislative lobbyist of his generation introducing methods of reaching state and national legislators to promote antislavery action Detesting his repeated exercise of the right of petition and hating his argument that an all seeing and affronted God would punish Americans for national sins many Southerners believed Mifflin was the most dangerous man in America a meddling fanatic who stirred the embers of sectionalism after the ratification of the Constitution of 1787 Yet he inspired those who believed that the United States had betrayed its founding principles of natural and inalienable rights by allowing the cancer of slavery and the dispossession of Indian lands to continue in the 1790s Writing in beautiful prose and marshaling fascinating evidence Gary B Nash constructs a convincing case that Mifflin belongs in the Quaker antislavery pantheon with William Southeby

Benjamin Lay John Woolman and Anthony Benezet *Blurring the Lines of Race and Freedom* A. B. Wilkinson, 2020-08-06
The history of race in North America is still often conceived of in black and white terms In this book A B Wilkinson complicates that history by investigating how people of mixed African European and Native American heritage commonly referred to as Mulattoes Mustees and mixed bloods were integral to the construction of colonial racial ideologies Thousands of mixed heritage people appear in the records of English colonies largely in the Chesapeake Carolinas and Caribbean and this book provides a clear and compelling picture of their lives before the advent of the so called one drop rule Wilkinson explores the ways mixed heritage people viewed themselves and explains how they along with their African and Indigenous American forebears resisted the formation of a rigid racial order and fought for freedom in seventeenth and eighteenth century societies shaped by colonial labor and legal systems As contemporary U S society continues to grapple with institutional racism rooted in a settler colonial past this book illuminates the earliest ideas of racial mixture in British America well before the founding of the United States

Birthright A. Roger Ekirch, 2010 For the first time the remarkable story that inspired Robert Louis Stevenson s *Kidnapped* Award winning author Ekirch recounts an extraordinary family drama of betrayal and loss but also of resilience survival and redemption

Freedom Seekers Damian Alan Pargas, 2021-11-18 In this fascinating book Damian Alan Pargas introduces a new conceptualization of spaces of freedom for fugitive slaves in North America between 1800 and 1860 and answers the questions How and why did enslaved people flee to and navigate different destinations throughout the continent and to what extent did they succeed in evading recapture and re enslavement Taking a continental approach this study highlights the diversity of slave flight by conceptually dividing the continent into three distinct and continuously evolving spaces of freedom Namely spaces of informal freedom in the US South where enslaved people attempted to flee by passing as free blacks spaces of semi formal freedom in the US North where slavery was abolished but the precise status of fugitive slaves was contested and spaces of formal freedom in Canada and Mexico where slavery was abolished and runaways were considered legally free and safe from re enslavement

Delmarva's Patty Cannon Michael Morgan, 2019-04-22 Details the brazen robberies shameless kidnappings and heartless murders committed by Delmarva s legendary criminal Cape Gazette Truth lies behind the grim legend of Patty Cannon In the early nineteenth century Patty and her gang terrorized the Delmarva Peninsula kidnapping free African American men women and children Using surprise and treachery Cannon even employed a free African American accomplice to lure her unsuspecting prey Captives who survived confinement in Patty s cells were sold south The position of the Cannon home on the shadowy border between Delaware and Maryland allowed her to dodge the law until a local farmer unearthed the remains of her victims in 1829 Patty mysteriously died in jail awaiting trial Author Michael Morgan investigates the chilling history of one of the nation s first serial killers

Abraham Lincoln Michael Burlingame, 2009-01-05 This award winning biography has been hailed as the definitive portrait of Lincoln Named One of the 5 Best Books of 2009 by The

AtlanticNamed One of the 10 Top Lincoln Books by Chicago Tribune Winner 2008 PROSE Award for Best Book in U S History and Biography Autobiography Association of American PublishersWinner 2010 Lincoln Prize from the Civil War Institute at Gettysburg College In the first multi volume biography of Abraham Lincoln to be published in decades Lincoln scholar Michael Burlingame offers a fresh look at the life of one of America s greatest presidents Incorporating the field notes of earlier biographers along with decades of research in multiple manuscript archives and long neglected newspapers this remarkable work will both alter and reinforce our current understanding of America s sixteenth president Volume 1 covers Lincoln s early childhood his experiences as a farm boy in Indiana and Illinois his legal training and the political ambition that led to a term in Congress in the 1840s In volume 2 Burlingame examines Lincoln s life during his presidency and the Civil War narrating in fascinating detail the crisis over Fort Sumter and Lincoln s own battles with relentless office seekers hostile newspaper editors and incompetent field commanders Burlingame also offers new interpretations of Lincoln s private life discussing his marriage to Mary Todd and the untimely deaths of two sons to disease In volume 2 Burlingame examines Lincoln s presidency and the trials of the Civil War He supplies fascinating details on the crisis over Fort Sumter and the relentless office seekers who plagued Lincoln He introduces readers to the president s battles with hostile newspaper editors and his quarrels with incompetent field commanders Burlingame also interprets Lincoln s private life discussing his marriage to Mary Todd the untimely death of his son Willie to disease in 1862 and his recurrent anguish over the enormous human costs of the war
