Crawford,2023-07-28 For generations people waged war on dragons driving them ever farther into the mountains When the dragons finally turn and fight catastrophe threatens to overwhelm everyone To save the world from ruin a hero from each side takes actions to stop the war thus creating opportunities for other brave people and dragons to advance the cause of coexistence by challenging fear prejudice ignorance and their societies beliefs to create a world of peace acceptance and friendship Will their efforts be enough to change the world      **The Children of Odin** Padraic Colum,1920 A retelling of the Norse sagas about Odin Freya Thor Loki and the other gods and goddesses who lived in Asgard before the dawn of time

**Gold Coins of the World - 9th edition** Arthur L. Friedberg,Ira S. Friedberg,Robert Friedberg,2017-01-05 A unique and indispensable reference work Unsurpassed in content and scope When the first edition of Gold Coins of the World made its debut in 1958 it forever changed the way gold coins were collected cataloged traded and priced For the first time one book provided a reliable guide for a subject which previously required an often expensive investment in multiple volumes of literature some of it rare and antique and much of it badly out of date With the publication of this pioneering work Robert Friedberg 1912 1963 established himself as an international icon in the field of numismatic literature This book and the Friedberg Numbering System he developed became then and is still today the internationally recognized standard for systematically identifying any gold coin ever made From just 384 pages in 1958 Gold Coins of the World has expanded to the extent that it now contains more than triple the information of its ancestor It still stands alone as the first and only book to describe catalog and price two millennia of gold platinum and palladium coin issues from across the globe From the first coins of the ancient Greeks to the most recently issued modern commemoratives they are all here an astonishing compilation of more than 21 000 individual coin listings accompanied by over 8 000 actual size photographs The prices have been completely updated for the most part raised substantially to reflect the current market Entire sections have been expanded many illustrations have been added or improved and hundreds of new discoveries and recent issues have been included for the first time Arthur Friedberg president of the International Association of Professional Numismatists from 2001 to 2007 and now its Honorary President and Ira Friedberg have completely revised and expanded their late father s work They have had the valuable assistance and cooperation of a who s who of the leading numismatists on every continent in bringing this edition to fruition For the numismatist banker economist historian institution of higher learning or a fancier of the noble metal in all its forms Gold Coins of the World is a book for every library public and private      **Gold Rush** Arlyn Sieber,2007-11-20 Few words evoke the dreams of the pioneer spirit and westward expansion of North America in both the mid 1800s with California and the late 1890s with the Alaska and Yukon claims Gold has been a symbol of value throughout history This volume of Gold Rush A new book by Arlyn Sieber and Mitchell Battino brings into focus the coins which are commonly available to collectors and investors as gold needs to be considered from an investment perspective too Prior to

World War I most national economies were on a gold standard Gold coins circulated and the national paper money issues were backed by gold reserves in either coin or bullion Since that time economies began to change and since World War II gold coins have become a novelty In the late 1960s bullion coins began to be minted and by the early 1980s several countries Austria Australia China Canada Great Britain South Africa and the United States were striking coins of a high purity a nominal face value and in a traditional coin design rather than ingot form So the authors present listings culled from the seminal work on modern coinage of the world Krause Publications Standard Catalog of World Coins Presented in an easy to follow format profuse with illustrations one could choose the various ways to collect either by commemorative circulating or bullion issues

Religion and Its Monsters Timothy Beal,2014-02-04 Religion s great and powerful mystery fascinates us but it also terrifies So too the monsters that haunt the stories of the Judeo Christian mythos and earlier traditions Leviathan Behemoth dragons and other beasts In this unusual and provocative book Timothy K Beal writes about the monsters that lurk in our religious texts and about how monsters and religion are deeply entwined Horror and faith are inextricable Ans as monsters are part of religious texts and traditions so religion lurks in the modern horror genre from its birth in Dante s Inferno to the contemporary spookiness of H P Lovecraft and the Hellraiser films Religion and Its Monsters is essential reading for students of religion and popular culture as well as any readers with an interest in horror

The Angel's Gambit Paul David Graham,2011-05-06 The third book of the Robin Oracle Detective Series Lt Hawk presents the psychic duo with their most puzzling case yet At exactly 9 00pm strange things start happening to people all over San Diego Four people had seizures and fell into a catatonic state Three people began hearing voices Four others died their autopsies revealed severe brain hemorrhage Seven suddenly burst into flames along with the rooms they were in Another five floated into the sky and disappeared Seven others just walked away from their families and the people who tried to stop them were found sleeping No one could wake them up Lt Hawk s only hope was that Robin and Malissa could solve the strangest case he had ever seen
